INCUMBENT

Louis B. Dematteis

San Mateo County District Attorney Seeks Re-Election

Louis B. Dematteis, 38, announced this week he will seek re-election to his position of San Mateo county district attorney in the June 6 primaries.

The Redwood City native was appointed to the district attorney's job by the board of supervisors July 1, 1949 when Gilbert D. Ferrell retired.

To-date no one has filed for the position except Dematteis.

A graduate of the University of San Francisco, Dematteis first joined the district attorney's staff in January, 1935, as a deputy under Ferrell. He was later promoted to Chief Deputy and was in charge of criminal matters of the office until he enlisted in the Navy.

Upon his return from military service, he entered private practice in Redwood City. Later he was appointed Assistant District Attorney, holding that position until he became D A in July.

Endorsed by many civic and fraternal organizations, Dematteis has also been endorsed by the members of the San Mateo County Grand Jury and numerous civic, business and community leaders throughout the county.

Mrs. J. W. Marchbanks Sells Large Property Holding To Theatre Company

In one of the largest sales here in many years Mrs. J. W. Marchbanks this week sold almost one-half a block of property in the heart of Daly City to the Excelsior Amusement Company, 995 Market street.

No figures were available on the amount of money involved in the transaction. The land involved includes the northern end of the block bordered by San Jose, Flournoy and Mission. Also sold was the Daly City Theatre building.

Council Passes Resolutions For Improvement Plans

Paving the way for work on the \$396,000 Park and War Memorial Community center projects, the city council Monday night passed several resolutions.

The majority of the resolutions were legal technicalities needed to set up funds for the work which is to begin this spring. Among these was a request to the state for \$8,871 to apply to the cost of plans for the War Memorial center.

Another resolution was passed authorizing part payment to Architect Mario Ciampi, \$5,434, for work he has done on drawing up plans for the War Memorial Community center.

Also receiving payments for engineering work was R. A. Klassen, city engineer, who was given a total of \$3,500 for part payment for his work on Hillside Manor No. (Continued on Page 2)

CONCORDIA CRISIS COMING

SIX TO SEEK THREE COUNCIL SEATS

Gaggero, Green, Kennedy vs. Battye, Smith, Nenstiel In April 11 Election

Ed Nenstiel, manager of the Daly City Hardware, was the sixth and last candidate today to file papers for a seat on the city council in the April 11 municipal elections.

Surrounded by his two fellow candidates, Mel Battye and Hugh H. Smith Jr., Nenstiel filed his papers with the city clerk only a few minutes before nominations closed Thursday noon, March 2.

Now, the "battle" lines for the coming election are clear. It will be three against three for the three council seats. On one side, incumbents A. J. Gaggero, Paul Green and a newcomer J. H. Kennedy. On the other side, incumbent Battye and Smith and Nenstiel.

James Reardon, former Daly City police chief, who earlier took out papers, failed to file.

A peculiar feature of the line up this election is that both sides have two experienced candidates and one newcomer. Actually, therefore, the experienced politicians around town consider the battle for the three council seats not so much between newcomers Kennedy and Nenstiel, as between Gaggero, Green vs. Battye, Smith. However, more than one dark horse has come in at the final count.

Nenstiel, a native of Indiana, came to Daly City from Alameda six years ago. He is 43 years old and resides at 228 Hillcrest. He has three children, two boys and a girl.

As past president of the Daly City Rod and Gun Club, Nenstiel is well known in Daly City for his many activities, especially in the world of sports. He is also an active member of the Eagles, and has been associated with the Daly City Lions club.

Traffic, Sidewalk Improvements For Daly City Soon

Principal improvements in Daly City this week was the installation of amber slow warning flashers north and south of Alameda and Mission street intersections.

This is part of a safety program which will eventually see traffic lights and islands on Mission street at busy intersections. In fact, plans for signals at the "Top of the Hill," and down on Market and Mission are ready, and the city is waiting for the San Francisco Municipal Railroad to remove street car tracks so the safety islands may be installed.

Mission will take on another new look with the announcement that PG&E will install high-lumen Mercury lights from the county line to San Pedro road, possibly this month. The city has requested the work for six months, but heavy PG&E construction work elsewhere has held up the lighting.

Meanwhile, the city has been replacing unsuitable sidewalk corner intersections at the rate of five or six each week. More than 30 have been completed to date, and the program authorized by the council contemplates replacement of all buckled sidewalk corners in the city.

Still another improvement, is the garage for the new city ambulance. The garage was built as an extension to existing facilities behind city hall. Thus, from now on the ambulance will be fully protected from the weather.

Many Contribute To Daly City Red Cross Drive

Many residents and merchants of Daly City have already contributed to the Red Cross drive which opened officially here February 24.

Chairman Joe Lewkowitz said he had met with favorable response from all he had contacted, and believes the community will have no trouble reaching its \$2,000 quota.

Assisting the chairman this week in his collections were Co-chairman Mrs. Floyd Harris and Grant Williams, publicity director.

Not to be forgotten, of course, are the score of volunteer workers assisting in this year's drive.

Some of the services rendered by your contributions include:

Home service provides consultation service to servicemen and their dependents on service and family problems which arise, working in cooperation with Red Cross field directors at military posts. It also makes loans and grants to these men when necessary.

These first two services all charter obligations of the Red Cross to the United States government.

Junior Red Cross functions through our schools, building good citizenship by the exchange of albums with youngsters in other countries, and by sending gift boxes of needed personal items to these children.

Safety services includes both water safety and first aid. Water safety teaches several thousand children each year to swim, instructs being Red Cross trained. First aid gives instructions to all personnel who are required to have such training, i.e., firemen, policemen, bus drivers, recreation department workers, etc. When any sort of first aid is required, all residents of San Mateo county may receive it from the nearest fire, police or emergency first aid station.

Home nursing has at present five classes a year in "mother and baby care." There is a public demand for more classes, which the chapter would like to meet.

Those to date who have contributed to the Red Cross drive include: Ruggero Domenchini, Harrison Plumber, Dino Doughnut (Continued on Page 2)

Milk Prices Cut One-Half Cent

The price of a quart of milk in Daly City is now one-half cent lower than it was last month.

As of Wednesday, March 1, the price cut went into effect in San Mateo county, San Francisco and six other counties in the Bay area.

Previously the price of a quart of milk was 18 cents in the stores, and 19 cents delivered.

The State Agriculture Department said an increase in milk supply and lower feed costs and improved pastures made the price cut possible.

New Contracting Firm Opens In D. C. This Week

Opening a general contracting firm in Daly City this week are two experienced well-known local contractors.

The firm, still to be named, is now open for business at 6789 Mission street. Partners in the business are Lester VanHagen, 20 Gambetta, and Andrew Cotton.

Both men have had many years of experience, and VanHagen has been employed with another Daly City firm doing contracting work for the past 10 years.

The new contracting service offers local residents the best in everything from painting to putting up a new house.

Why not drop in and see the men. They can be found in their office any time during the week.

Check That Number Before You Buy Ticket

When you buy a ticket for the Jefferson High School show, "Seven Sisters," be sure the number isn't between 326 and 375 inclusive.

These 50 tickets were stolen from the school Wednesday, and school officials fear the thieves may try to sell them to unsuspecting residents.

Lions Club Plans Annual May Show

Plans were going ahead today for the third annual Daly City Lions Club show, which is now planned for May 2.

The Lions, at their regular board of directors meeting, March 3, hope to outline the program for this year's show.

This year, as before first class entertainment will be offered those who attend the show at the Daly City Theatre.

From time to time the "Record" will report on plans for the show.

5 Day Week Talk Coming Tonight

Whether or not city employees will go on a five day week may be decided at a meeting of the North County Councils here tonight, March 2.

At that time officials from Northern San Mateo county cities will consider an over all program for employee hours. Not only have Daly City employees requested the five day week, but South San Francisco policemen have also made the same request.

Presently, the majority of city workers are putting in 40 hours a week, but working one-half day on Saturday. Daly City police are on a 48 hour schedule.

Free Theatre Passes

Here's a soft snap feature. The names of two persons will appear in the Crest Theatre Program, printed in this issue of the Daly City Record and Shopping News. All they have to do is find them, then go to the Crest Theatre, identify themselves and collect two passes good for an entire month.

Now jump on the band wagon. This is going to be a regular feature. It is interesting and yet profitable. Therefore, take advantage of this opportunity. Just look for your name in the Crest Theatre program.

D. C. Post Office To Have Larger Quarters Soon

At long last, you may soon be able to find room to lick a stamp in the Daly City post office—the department next month will call for bids on new quarters.

This doesn't mean a new post office building, but merely that by the summer the lads in blue should be operating out of larger and better headquarters. As yet, there is no indication where the new rented building may be located.

Action by the Post office department followed several months of negotiation between Mayor Paul Green and department officials.

At the same time there was even more cheering news from Washington, D. C. The Post office department is completing a survey for the acquisition of a permanent site in Daly City, for eventual construction of a federal building to house a post office, Mayor Green said.

But don't get your hopes up. This is going to take at least two years. While congress has appropriated funds for sites, it has found no room in the budget for actual construction money.

It is the city's tentative schedule to have the site and the plans for the new building completed (Continued on Page 2)

BARON VON PRETZEL'S GERMAN BAND

You wouldn't know it, unless you saw them back in 1929, but under those uniforms are the reasons vaudeville should have lived. These are the lads who put Daly City on the map in the entertainment world. Unfortunately we don't have all their names, but the leader (under the beard) is none other than Bill Degliantoni. The two tall gents to the right are Steve and Nick Beidov. Bill doesn't know the names of the other two.

Five Reasons Why Daly City Made A Name In The Vaudeville World

Back in the days when Pola Negri was vamping her men and Lionel Barrymore hadn't heard of Dr. Kildaire, Daly City was making its contribution to the world of entertainment with Baron Von Pretzel's Little German Band.

The name was somewhat of a misnomer, however, as the five gentlemen in the uniforms of good German musicians traced their ancestry to Italy, Greece, and the Slavic countries.

Three of the "musicians" are still around the outskirts of Daly City in the persons of Bill Degliantoni and Steve and Nick Beidov. No one is quite sure what ever happened to the square jawed, blue eyed saxophone player, the only real German in the band.

Ancestry rarely interfered with the boys during their one year of engagements on various stages throughout the Bay area, except one night when they cut loose with a blast of German music in a hall full of American Legionnaires. Too many of the audience had memories of Germans on the other end of a rifle to be receptive to Rhine music. Degliantoni recalls that after three rounds of light applause the band thought it best to fold up and walk out before they were thrown out.

On the whole, though, the band met with a better reception. During their one year of tooting and blowing in 1929 they acquired quite a following. What might have happened if the talkies hadn't come in and vaudeville gone out is hard to say, but Bill is convinced his band might have ended up in the 'big time circuit.

"We were all ready to go on the road when vaudeville up and died. I looked over the situation and decided that I'd have more success putting down roofs than blowing a trumpet."

Dressed in authentic German uniforms, the boys bowed in at the toughest theatre in the San Francisco circuit down on Mission street where most new acts ended up with a collection of over ripe vegetables more often than ripe tomatoes.

Those were during the last days. When vaudeville bowed out the spirit died in the band and they played less often until one day the uniforms were tucked away in a trunk and the instruments sold.

Today Bill has forgotten how to tout a trumpet, but Baron Von Pretzel's Little German Band will never be forgotten.

Case of Smith Vs. Daly City Coming To Court April 10

The case of Daly City vs. H. H. Smith, 187 Irvington street, over condemnation proceedings of Smith's "quarry" will be heard in Superior Court April 10.

Judge A. R. Cotton will be sitting on the bench in the jury trial to determine whether or not the city can cut a street through the quarry, and if so what price the city must pay for that right.

Condemnation proceedings were filed in Superior Court July 20, 1949. The city wishes to extend Brunswick street through to Hillside boulevard, which entails cutting about three-quarters of an acre through Smith's six acres between Wellington and Hillside. Earlier, Smith had considered using the property for a motel.

The city has offered Smith \$5,022 for the land. He has rejected the offer as "much too low."

If, and when the street goes through, the city plans to use it (Continued on Page 2)

THREE WAY STRUGGLE

Residents Plan To Use Assessment District As "Club" Over Theatre

(by Bill Katz)

After four months of confusion residents of the Concordia tract Monday night asked a delay in the \$110,000 assessment district until the Starlite Theatre question is settled.

The council granted the delay, continuing the public hearing on the matter until March 13.

Whether or not at that time the council will award bids for the improvement job was anyone's guess, and depended on several heretofore unpublished facts:

1. A. L. Kruegerberger, F. D. deBellis and Frederick Leopold who control close to 200 of the 260 lots in the area, are in favor of pushing through the assessment district at the March 13 meeting, they told the Record. According to state law, as major property owners, they can overrule other residents in the area.

2. E. T. Vert, 193 Bellevue, spokesman for the 38 families in Concordia, said he is in favor of holding up the assessment district until some action is forthcoming from the theatre people.

Residents object to the Starlite Theatre plan to use Lowell and Tutenburg streets-as exit and entrance, as traffic allegedly would constitute a menace. It is estimated that when the theatre is completed sometime this Spring will have a capacity of over 600 cars.

3. Thus, the residents and the three large landholders appear to be in disagreement on when, and if, the assessment district is going through. This, then, puts the "ball" in the hands of the city council, who can decide by a 4 to 1 vote either to go ahead with the district or to postpone it until such time as residents in the area are satisfied.

Mayor Paul Green said he was in sympathy with the residents, and would do everything in his power to reach a compromise. He asserted that sometime between now and the March 13 meeting he would try to get the residents together again for a discussion of the whole affair.

PROCTOR JONES

Young Portola Lawyer To Seek Sheriff Position

Proctor Jones, 34, Portola attorney, announced this week he will be a candidate for Sheriff of San Mateo county.

He will oppose incumbent Sheriff James J. McGrath and Robert D. Spillers, Redwood City councilman.

In making his announcement Proctor said he would throw full light on alleged gambling operations in the county. "The present administration has not been honestly challenged by an opposing candidate in its 23 years of control," Jones said.

A native of Ohio, Jones came to California after a stretch in the army in the summer of 1948. Jones entered the army as a private and after 5 years, half served in Europe, he was discharged a captain.

While he has received his law degree from Western Reserve University, Jones does not now practice law in California. He has an independent income and is executive director of a non-profit organization.

Active in young Republican affairs, Jones has been endorsed by many leading San Mateo county citizens.

13-Year-Old Boy Admits Taking Engine

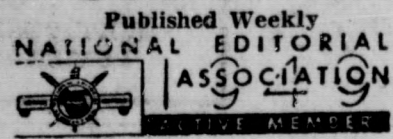

Back on the battery charger of the Poly Gas station, 6755 Mission street, today is a motor stolen from the establishment February 16.

Saturday police apprehended a 13-year-old Daly City boy who admitted stealing the engine. He led police to the gas engine which he had taken to San Francisco.

As the boy had no previous record, he was put under supervision of the Juvenile Authority, to report to them during the next several months.

Concordia Crisis

(Continued from Page 1)
owners as inadequate.
UP TO COUNCIL

Consequently, here again the three major land owners and the residents appear to be at odds, and the final decision must rest with the council.

Legally, the theatre may use Guttenberg street as this is already dedicated, Frank Blum, city attorney, believes. However, they allegedly can not use Lowell street, as in order to do so they must cut through four lots which are zoned as residential.

Kreugberger told the Record that he sold the Crocker estate the four lots in August, 1949. He further stated he knew at that time the theatre chain was contemplating building a drive-in theatre. He said he sold the lots, not so much to offer the theatre an exit, as for future development of the Crocker estate.

QUESTION AND ANSWER

This poses the question: Who, then, did know about the theatre, and why weren't the people in the area informed?

Kreugberger asserts he was aware of plans for the drive-in establishment in August, 1949. Ed Smith, engineer for both the theatre and the assessment district, drew up plans for the theatre in June, 1949. However, the permit to use the site was granted by the city in the Spring.

A. J. Bodien, works superintendent, and member of the county planning commission, sat on the board when they approved the plans, and sent them to the supervisors in the early part of the year.

Before the plans were approved Bodien mentioned to the council in a caucus meeting that the Crocker Estate might want to annex the area to Daly City. He also mentioned that the Starlite theatre planned to put in an out-door theatre on the site. However, no plans were presented or petitions made.

It was said that such a project was contemplated, but only in a general way, giving no plan, time, place or date of construction. At that time, the assessment district was still a thing of the future and couldn't be tied in with the theatre, Mayor Green explained.

Consequently the mayor and the council took no action on the theatre site.

From this it can be concluded that people in the area were not informed as at that time there was no way to see into the future, and how the theatre would affect the assessment district.

It also must be pointed out that before the supervisors approved the theatre due notice was posted in the area, and residents should have taken action then.

Another question also presents itself. Was the theatre assured of an exit and entrance as it started work on the costly project?

There is no way of determining the answer. However, Mayor Green said today:

"Neither the Crocker people nor the Starlite theatre concern me to ask for such assurance. No plans were presented until after the first hearing on the district."

It is quite possible, then, that some official in the Crocker estate or the Starlite theatre company failed to take into consideration the assessment district before work proceeded on the drive-in theatre in October.

This, now, is past history. The coming "battle" will center around the theatre's proposed use of Lowell street.

W. E. Morton, Crocker estate representative (the theatre has leased their site from the Crocker estate) met with Vert and residents last week. At that time he attempted to find a solution to the problem.

However, the outcome of the meeting was that Morton challenged the legality of the city to

Council Passes

(Continued from page 1)
In another move, the council called for bids for water pipe and a well pump and motor for the new well recently brought in at Junipero Serra near Citrus. These bids will be opened at the council meeting of March 27.

Following a two-week delay, the council finally approved David Newman as a full-time employee of the water department. Newman had served his six-month probation period.

Also approved by the council was a list of potential candidates for fire marshal. They are: Allen Brush, Melvin Hanson, Frank Spacht Jr. There is no existing vacancy now, but when one comes up, a man will be chosen from this list.

As all of this took considerable time, the council adjourned until March 6, at which time they will pass the necessary resolutions and ordinances to set up the machinery for the coming city election, April 11.

prevent the theatre company from cutting through the four lots into Lowell. He also rejected Vert's solution of running streets either into San Francisco or down Crocker to Wellington.

"We are seeking a friendly compromise," Morton told the Record, "but we're not Santa Claus. It would cost too much to put in new streets at this time."

Morton said he will continue to seek a solution, but only as a "last resort" will he take the matter to court to decide whether or not the city can prevent the theatre from cutting through the four lots.

Earlier Mayor Paul Green said the council would not allow the theatre to use Lowell street.

SUMMARY

1. The land owners who wish nothing more from the theatre company but money toward the assessment district appear willing to let them use Lowell street if they will pay. None of the three were willing at this time to set a fair sum.

2. Residents object to the theatre using the streets, regardless of how much they pay.

3. In the final analysis it will be up to the city council, or the courts, to decide the issue.

From here it appears the Starlite Theatre chain must make the next move.

D. C. Post Office

(Continued from Page 1)
at some future date when congressional appropriations funds for construction work Daly City will be ready to go.

Where the new post office site will be located is also anyone's guess. However, the city has requested it be somewhere on Mission street.

Sports, Travel And Boat Show Here March 3

All the variety and unique showmanship of the old-time vaudeville will be revived on the stage of the San Francisco Civic Auditorium March 3 through March 12 during the annual San Francisco - Oakland Sports, Travel and Boat Show.

Champion sportsmen from points all over the United States will demonstrate their talents and accomplishments. A number of highly trained animals will be put through their paces.

A little black Himalayan bear, "who does more tricks than any trained animal in the world," according to his owner, Emil Pallenberg, will delight spectators with his motorcycle and bicycle riding stunts. He also plays the accordion, saxophone and harmonica.

Log rolling champions, "The Stauber Brothers," from Menominee, Michigan, will do a phenomenal log rolling act on roller skates. Stan Vollero, from Chicago, will thrill audiences with his high sway pole balancing feats.

Others appearing in the twice-daily floor show include Ken Wilhelm, champion archer from Yermoh, Chick "99" Noyes, Atlantic Coast fly and bait casting champion, Ralph Marshall, of Cleveland, Olympic pistol champion.

Doors of the Auditorium will open daily from 1 p.m. to midnight. Twice-daily floor shows are scheduled from 4 to 5:15 in the afternoon and from 9 until 10:15 each evening.

OBITUARIES

P. A. Carlson

Funeral services will be held today, March 2, at 2 p.m. from the W. C. Lasswell chapel for Philip A. Carlson, 44, 131 Alexander.

A resident of Daly City for the past 15 years, Carlson died at his home Monday after a short illness. He was well known in this area and a salesman for the Poultry Producers of Central California.

He is survived by his widow, Mrs. Flavia Carlson; a son, Gary Phillip; a brother, Theodore J., and a sister, Mrs. Thelma Swanson.

Following the funeral services, interment will be at Olivet Memorial Park.

Iodine is extracted from waste water produced by oil wells.

A Local American Legion Commander Examines The VA

(This is the second of a series of articles by the local commander of the American Legion on his organization's views on that part of the Report of the Hoover Commission dealing with veteran affairs. In today's article, Commander Bordon discusses the proposed dismemberment of the Veterans Administration into five separate experimental agencies.)

By Commander Peter B. Bordon
Daly City Post No. 410
The American Legion

The one-stop service agency—The Veterans Administration—now handling veterans affairs without any run-around, would be split up into five separate government bureaus if the proposal of the Hoover Commission is adopted.

In the name of ECONOMY the VA would be dismembered into the following separate federal agencies:

1. United Medical Administration—to handle veteran hospital and medical services.

2. Department of the Interior—to handle hospital construction.

3. Veterans' Insurance Corporation—to handle all insurance matters.

4. Housing and Home Finance Agency—to handle home loans only.

5. Veterans Administration—to handle remaining veteran services.

This is the equivalent of telling General Motors: "You may retain your administrative functions but you will have to divorce yourself from the other operations of your corporation! Ford will take over your production! Engineering will go to Studebaker! Your distribution will be assumed by Chrysler! And your sales will be handled by Kaiser-Frazer!"

That is substantially what the Hoover Commission recommends so far as the Veterans Administration is concerned!

In such a situation, could you possibly expect more efficiency—more economy?

The American Legion, with the poignant memory of the chaos of the days of 1920-21, has to laugh! It's a clear case of five experiments versus one success!

LEGION NOT CONSULTED

The American Legion's greatest monument today is the Veterans Administration. It was solely responsible for bringing into being a single agency handling veterans affairs exclusively. Over the years it has kept a watchful eye over all VA operations.

The American Legion has been working in the field of veterans rehabilitation for 31 years. It knows more about veteran affairs than any other organization.

Yet the American Legion was not even consulted by the task force of the Hoover Commission, which recommended the dismemberment of the VA. The recommendation was made by the task force members, who had no previous experience in veteran affairs.

The American Legion knows from bitter experience that the carving up of the VA cannot possibly result in economy. It can only lead to unprecedented confusion.

The VA maintains a case folder on each of 19 million veterans. Just imagine five separate government bureaus trying to operate on one such file. Think of the additional space, red tape, employees needed to handle the task.

For the veteran needing hospitalization, he would again be on a greased bureaucratic shuttle. This angle will be covered in next week's article.

VOICE OF THE PEOPLE

This week several residents in the Daly City area were asked: "Do you favor the city annexing Thornton Beach?"

Unfortunately, not too many were aware of this still tentative plan, so once again we found this column reporting general "gripes." Always glad to oblige readers, we herein print some views on the community.

Mrs. Memory Gomez, 100 Alder avenue: I'm in favor of a connecting street between Broadmoor and Westlake, but I can see no reason why it is necessary to go through school property. (See story on Colma Page.) I haven't thought much about the Thornton Beach question.

Mrs. Robert J. Miller, 56½ Alp street: Now that plans are going on for a War Memorial Community building on Alp street, I believe this short, dead-end road should be closed to traffic. This would allow more room for the children to play. Also, I'm in favor of the city taking over Thornton Beach and improving same. And, by way of a pat on the back for the city, we are grateful for the traffic signals at Mission and Alp streets.

Mrs. Pete Dormoy, 40 Mission Circle: I've been a resident of Daly City for 25 years. I've always found it a very good place to live, with the police fair and square as well as those connected with them. Who would want a better name than the founder of Daly City. As for vandalism, you do your part and I'm sure there will be no more squawking.

Mrs. Lucy M. Waterman, 182 Acton: I'm in favor of the city taking over Thornton Beach. My chief gripe is that we don't have adequate bus service in my district. Why can't we have a shuttle bus running from Mission?

S. R. Elliott, 127 Acton: I'm in favor of the Thornton Beach project, as any additional recreation facilities are always welcome.

Mrs. Virginia Arubuck, 71 Hillcrest: Since when did Daly City become so corrupt? It's only narrow-minded people who think that way. Do you know a better place to live? And if so, why do those who complain stay in Daly City? As far as vandalism is concerned, if the people would help the police, there would be no fault finding.

George Bohannon, 163 B street: I haven't thought much about Thornton Beach, but I wish the city would put up a street sign on B street off of Mission. Not only can't my friends find B street, but neither can the store keepers or doctors.

Eagles Auxiliary Looks Ahead

Holding their regular business meeting February 28 were ladies of the Colma Vista Grande Aerie No. 1842 Auxiliary.

Several special plans were announced for the coming months by the program chairman, Lynn Boskey.

A white elephant sale will be held at the Eagles Hall March 28, and a spaghetti dinner is planned for April in conjunction with Junior Past Presidents night.

However, of most importance is the second birthday party of the Auxiliary which is to be held April 18.

Meanwhile, the next regular meeting of the sewing club is to be held at the home of Anita Lopez at 1153 Hanover street Tuesday, March 7. All auxiliary members are welcome.

Mouse Highlights PTA Founders' Day Program, Feb. 21

by Lois Adams

Does the thought of a mouse in your house make you want to scream?

Well if you attended the Jefferson High School PTA Founders' Night program, February 21, you would have heard some very excellent "eeks" as the word mouse was mentioned.

The dramatics class under the supervision of Miss Seaton put on a hilarious one act play "The Mouse Trap." To the delight of the audience, the whole female cast, in their 1910 costumes, certainly hit a new high in screaming. Of course it was all part of the plot. How courageous could a young lady of this era be when suddenly informed that there was a mouse loose in the room?

Wanda Sadler and Bob Mink, both seniors at Jefferson High school, headed the cast of players who turned in an excellent job of acting. You will not know what you are missing until you attend one of these plays by the high school students. We have real talent in our schools.

Meanwhile, at the home of Mrs. Fred Cady, 741 Niantic avenue, the executive board of the PTA will meet to hear the report of the nominating committee today, March 2, at 12:30.

Three Attempted Suicides Here Last Saturday

While the sun shined on Daly City last Saturday, gloom settled over three elderly persons in different sections of the city as they unsuccessfully attempted suicide.

Police report two of the attempts employed gas, while the third allegedly took some internal poison. All three of the victims will recover, hospital authorities said today.

A prospective renter from San Francisco, Robert F. Smith, discovered Luella J. Dana, 55, 159 Frankfort street, stretched out on her bed at 10:07 a.m. Saturday. A bottle of pills was near the unconscious woman.

Smith saw Mrs. Dana through a window, and growing alarmed called a neighbor who in turn called police. Mrs. Dana was rushed to Junipero Serra hospital where she was treated.

A note was found near Mrs. Dana, in which she stated she wished to die as she had to move and felt lonely.

Less than four hours later, at 2:10 p.m., the police ambulance was called to the Mission Auto Court, 6843 Mission, where Harlan P. Proctor, 56, San Rafael, had attempted suicide by turning on the gas in his cabin. Before making his attempt, Proctor had sealed all the doors and windows with tape, run two hoses from the gas jets up the ceiling, and tied himself in a chair.

He was discovered by a maid, who, planning to change the linen in the cabin, smelt the gas.

Taken to Junipero Serra hospital, the San Rafael man was treated and sent on to Community hospital. Police report he left a note stating he was ill and out of work, and "tired of living."

The final attempt came at 9:50 p.m. that same night when Mrs. Beulah Mattila, 65 Garwood drive, phoned her daughter and said she was going to turn on the gas and commit suicide, police said. Her daughter called officers, who rushed to Mrs. Mattila's home to find her in the kitchen, the gas on, and all the doors and windows shut. She was taken to Junipero Serra hospital for treatment. Officers state there was no note or

apparent reason for her desire to die.

Ambulance drivers Dean Wood and E. J. Smith (Smitty) were responsible for the quick action that saved the aforesaid persons' lives.

HORSEHIDE SEASON OPENS SOON

Jeff Plays First Ball Game March 24; Indians May Take League Championship

By Milton Tromborg
With the arrival of spring come not only the birds and the flowers at Jefferson, but also the return of the nation's greatest pastime, baseball.

Prospects are looking rather bright as of now, but as the season progresses, the blue and gold machine will be sure of a playoff berth at the end of the season.

COACH SOUTH PREDICTS
Coach Glen South lost a championship last year by dropping two games out of three to San Mateo in the playoffs, but this year he predicts that the Indians should go all the way.

There is no reason why we can't win; we have the pitching, and our hitting is getting better.

One reason for Coach South's prediction is his two top pitchers, Henry Morgan and Ed Cereghino. Both boys are returning veterans from last year's squad.

Here is a run-down on the pitching of these two boys from last year's record.

Ed Cereghino won six games and lost three, and Henry Morgan won six games and lost two during the '49 season. Ed won four league games and Henry two. Ed pitched in 65 innings, striking out 81, walking 22 men. He allowed 38 hits, threw no wild pitches, and let 22 runs score while on the mound.

Morgan saw action in 47 innings, striking out 50 batters, walking 25. Morgan allowed 34 hits, and let 20 runs in while on the mound.

Henry Morgan will be playing right field when he is not on the mound because of his power at the plate. Morgan hit .230 last year. Already this year, Morgan hit a two-run homer against Poly high, in which Jeff won, 6 to 0.

Cereghino is a little weak at the plate and had a .158 batting average last year. What he will have this year is something else.

HATCHEL AND DONLEY?
Two other boys are out for pitching duties and both of them seem to look pretty good at this time. Jim Hatchel and Charles Donley, up from the frosh soph, need a lot of experience, but both will see action in 50.

The defense of the team should be able to stand very good in the league, with Harold Mosman at third, John Matzek at short stop,

Pete Delfino and Roy Childress at second, and Dave Belli and Lefty Goodnel at first. The above are all returning veterans with the exception of Lefty Goodnel, who is up from the frosh.

Mosman and Matzek can hit well at the plate as can Roy Childress. Behind the plate, telling the pitchers just what to do, will be Alex Findlay. Alex is a veteran from last year's squad and in our money, is one of the best catchers in the P.A.L.

DEFENSIVE OUTFIELD
The outfield will be very strong also on defense, with Don Lunghi at center, Leo Giannecchini at left field, and Henry Morgan at right field, when he is not on the mound. When Morgan is on the mound, Max Klem will see action at right field.

Other boys who are fighting for positions on the team are as follows: Ray Mechelucci, 1st base; Leo Zappitini, 2nd base; Jene Lorenbo, short stop; Dick Firth, 1st base; Mansel Roland, catcher; Mark Lowry, 1st base.

P.A.L. STRONG
Jeff will not be the team in the P.A.L. with strong batteries. Sequoia has Tom Del Sarto back and Half Moon Bay has pitcher Lee Francis.

The Jefferson Indians will play their longest season of play this year, with 18 games.

Already this season, the Indians defeated Lick-Wilmerding, 10 to 0, and Poly High, 6 to 0.

Below is the complete schedule for 1950.

*March 2, Lick-Wilmerding at Lick.

*March 3, Sacred Heart at Jeff.

*March 7, Lincoln at Jeff.

*March 8, Poly at Poly.

*March 9, Washington at Jeff.

*March 13, Balboa at Jeff.

*March 14, Lincoln at Lincoln.

*March 16, Mission at Jeff.

*March 24, Burlingame at Jeff.

March 31, Palo Alto at Jeff.

April 14, Lincoln at Lincoln.

April 21, Sequoia at Jeff.

April 28, San Jose at San Jose.

May 5, San Mateo at San Mateo.

May 12, South San Francisco at Jeff.

*Practice game

PLAYOFF WEEK, MAY 15 TO 20
First four teams play: team 1 plays team 3; team 2 plays team 4.

Final playoff May 22 to 27. Winners meet for championship.

Two Jeff Cagers Make PAL Teams

Finishing way down in the basement of the PAL league, the Jefferson cagers, nevertheless, had some good men playing basketball this season.

Chosen for honorable mention on the all-PAL team was Les Nicolini, flashy guard for the Jeff lads.

Also taking an honorable mention in the lightweight class was Owen Charles, star forward for the Jeff 30s.

Following are the complete PAL teams of 1950:

Varsity
Bill Kahler F
H. Gilmore F
Vern Wilson C
Don Stiles G
Ron Wyrsh G

San Mateo
Sequoia
San Jose
San Jose
Lincoln
Burlingame
San Mateo
Sequoia
Sequoia
Half Moon Bay

Second Team
Britt Vail F
B. Cummings F
Larry Ramm C
Slim Hodgson G
L. Francis G

Honorable Mention
Don Langrock, Marv Huss, San Mateo; Gus Suhr, Larry Melleme, Burlingame; Sam Balestrieri, Gary Pontius, South San Francisco; George Laroux, Sequoia; Bob Pederson, Merle Flattley, Palo Alto; Les Nicolini, Jefferson; Jack Nelson, San Jose.

Lightweights
Don Wyckoff F
Dick Barone F
Dean Berg C
Gene Esparza G
Joe Rodriguez G

Burlingame
San Jose
Palo Alto
S. S. Francisco
Sequoia

Second Team
Forwards, Clarence Cravalho, Burlingame; Alan Carter, San Jose; center, Jim Tallon, San Jose; guards, John Castro, South San Francisco; Walt Iverson, San Mateo.

Honorable Mention
Irv Rios, San Mateo; Bud Warner, Burlingame; Sid Chew, Palo Alto; Jerry Drever, Sequoia; Bud Dimock, Lincoln; Chuck Charles, Jefferson; Gene Bettencourt, Half Moon Bay.

Jeff Cagers End PAL League Down In Seventh Spot

By Milton Tromborg
The Jefferson varsity ended the 1950 basketball season by taking their seventh P.A.L. defeat, this time by the hands of the South City Warriors, 42-20, on the winners home court, last Friday night, February 24.

The closest the Indians ever came to the fighting Warriors was 11-13, but this two-point margin did not last long.

Both teams used a zone defense, with South City employing a fast offense to break the backs of the Indians.

Just to give you an idea why the Indians lost, they took 50 tries for field goals and made 7. There is your ball game. If you can't hit the hoop, you can't win a ball game, and the Indians have failed to hit the hoop all season.

JEFF 30s IMPROVE
Coach Joe McGrath's 30s took their eighth P.A.L. defeat in a row last Friday night, 50-36, at the hands of the South City 30s.

The only game that the 30s have won this year was a practice game early in the season, otherwise the Indians have gone down in defeat in every game.

The same thing brought defeat to the 30s as did to the varsity, fast break. The Jeff 30s can't play against a man-to-man defense and with this facing them in every game, how can they win.

High scorer for the Indians was Owen Charles with 11 points, followed next by Becker and Firth, both with 8.

Indian Track Men Score Win

Getting off to a good start, the Jefferson varsity track team won a victorious meet over St. Ignatius of San Francisco last Friday afternoon, February 27, at St. Ignatius. The Jeff varsity won first place in every running event but lost out in every field event. The Jeff 30s and 20s lost to St. Ignatius.

Varsity
120 high hurdles: 1st, Lemon (J); 2nd, (S. I.); 3rd, Kunz (J).
880 run: 1st, Zanobini; 2nd, Nottingham (J); 3rd, (S. I.).
100 yard dash: 1st, Bublack; 2nd, Graham (J); 3rd, Maffei (J).
440 yard dash: 1st, Bollinger (J); 2nd, (S. I.); 3rd, Douglas (J).
220 yard dash: 1st, Bublack (J); 2nd, (S. I.); 3rd, Maffei (J).
1 mile run: 1st, Zanobini (J); 2nd, (S. I.); 3rd, Nottingham.
Relay: 1st, Maffei, Bollinger, Kunz (J).
Shot put: 1st, (S. I.); 2nd, Baher (J); 3rd, (S. I.).
Discus: 1st, (S. I.); 2nd, Baher (J); 3rd, (S. I.).
Pole vault: 1st, (S. I.); 2nd, (S. I.); 3rd, Graham (J).
High jump: 1st, (S. I.); 2nd, Kunz (J); 3rd, (S. I.).
120 low hurdles: 1st, (S. I.); 2nd, Ritter (J); 3rd, (S. I.).

Jefferson track team will play host to Sacred Heart this Friday afternoon with the first event getting underway at 3:30 p.m.

FINAL PAL TEAM STANDINGS

Varsity	W	L	Thirties	W	L
San Jose	7	1	San Jose	8	0
Sequoia	7	1	Palo Alto	6	2
San Mateo	6	2	Sequoia	5	3
Burlingame	5	3	Burlingame	4	4
Lincoln	4	4	San Mateo	4	4
South San Francisco	3	5	South San Francisco	4	4
Palo Alto	3	5	Lincoln	4	4
Jefferson	1	7	Half Moon Bay	1	7
Half Moon Bay	0	8	Jefferson	0	8

Jefferson Elementary School "B" Team Wins Basketball Championship

By Earle Johnson

The Jefferson elementary school "B" basketball team won their second championship this year by taking six straight basketball games in league play. The boys performed like seasoned athletes and outclassed their opponents in every game. For their efforts and good play each member of the team will receive an individual medal.

Al Figone and Al Lagomarsino were the team's outstanding players, with Figone scoring 47 points in five games and Lagomarsino scoring 43 points, also in five games.

Crocker was second in the league, having won four games and lost only two. Captain Costello was their "big gun" with a season record of 47 points in six games.

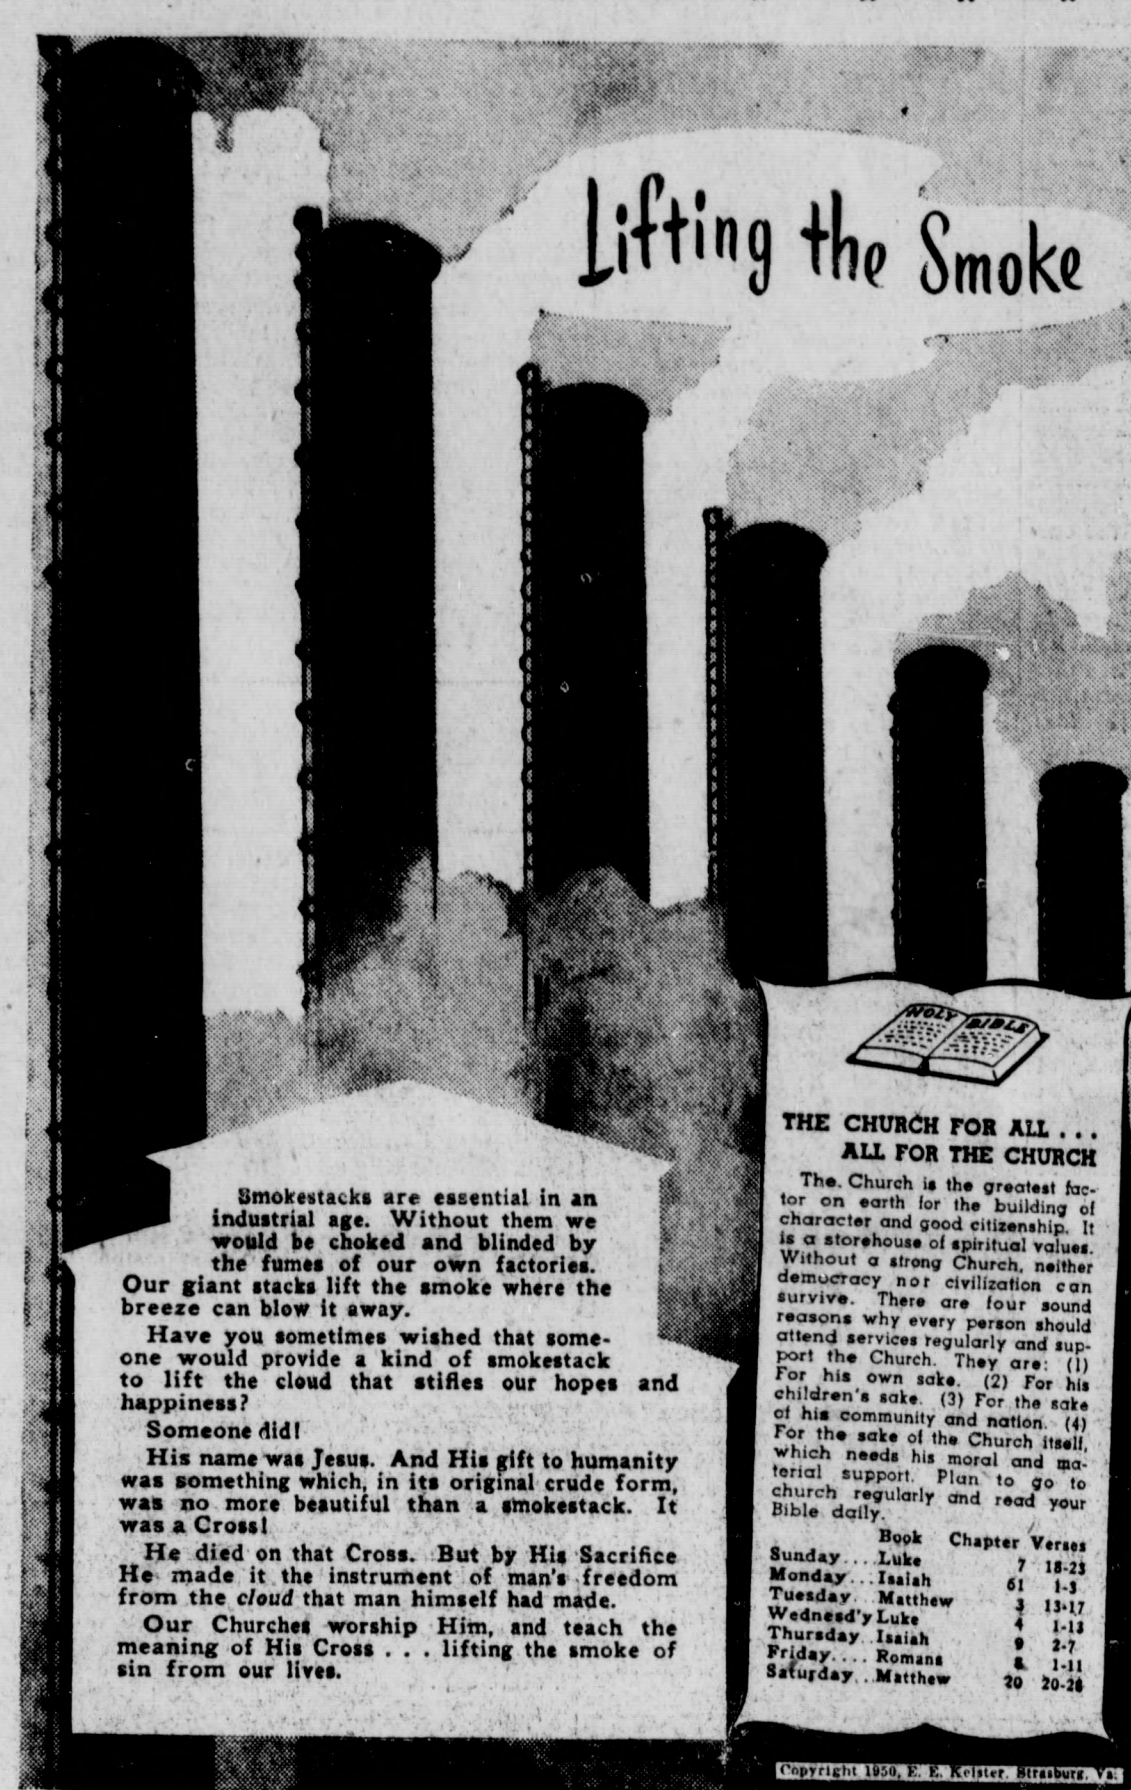

OLPH and Woodrow Wilson finished third and fourth, respectively, with each having a seasonal record of one win and one loss each. However, with OLPH having won by the greater score, we have awarded them third place.

games. For their outstanding play the two were moved up to the "A" team and did not play in the last game, or possibly they could have both topped 50 points for the season.

Crocker was second in the league, having won four games and lost only two. Captain Costello was their "big gun" with a season record of 47 points in six games.

OLPH and Woodrow Wilson finished third and fourth, respectively, with each having a seasonal record of one win and one loss each. However, with OLPH having won by the greater score, we have awarded them third place.

Crocker was second in the league, having won four games and lost only two. Captain Costello was their "big gun" with a season record of 47 points in six games.

Lifting the Smoke

Smokestacks are essential in an industrial age. Without them we would be choked and blinded by the fumes of our own factories. Our giant stacks lift the smoke where the breeze can blow it away.

Have you sometimes wished that someone would provide a kind of smokestack to lift the cloud that stifles our hopes and happiness?

Someone did! His name was Jesus. And His gift to humanity was something which, in its original crude form, was no more beautiful than a smokestack. It was a Cross.

He died on that Cross. But by His Sacrifice He made it the instrument of man's freedom from the cloud that man himself had made.

Our Churches worship Him, and teach the meaning of His Cross . . . lifting the smoke of sin from our lives.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Book	Chapter	Verses
Sunday	Luke	7: 18-23
Monday	Isaiah	61: 1-3
Tuesday	Matthew	3: 13-17
Wednesday	Luke	4: 1-12
Thursday	Isaiah	9: 2-7
Friday	Romans	8: 1-11
Saturday	Matthew	20: 20-28

FISH AND GAME NOTES

by Jimmy Fox

Well, it looks like the Strippers are on the prowl again up in Steamboat slough. Sunday was a nice warm day and the anglers were out enjoying it.

Ed Nenslith with his wife Frances and boy Mervin spent the day in a boat "putting" around with the outboard motor and had some line luck. They returned with two fish, one a nice four-pounder and the other a plump 18- (yes, we said eighteen) pounder. We don't know just who caught it but the family is giving Ed credit for he is the one who pays for the groceries in his family. He reports lots of fish taken by almost every boat in the vicinity of Steamboat slough.

FATHER AND SON NITE
One hundred and sixty-five kids and their dads jammed the Daly City Recreation hall last Wednesday night. Big occasion for the kids was a fine program of color movies.

The new P. G. & E. film Sierra Fish and Game was shown to a Daly City audience for the first time. From the tone of the "oos" and "ahs" I would say it was a big hit. The under-water shots of trout were especially fine.

Also shown were 30 minutes of this writer's high Sierra fishing trips. Al Speers, local angler and hunter, is quite the comic in a few scenes. We have a shot of Al skiing, and it is really unusual. (No

skis.) Also included are shots of catching 12- to 14-inch Rainbows by "tickling their belly" and throwing them back in Garnet Lake, lots of high Sierra scenery, deer in their truly wild state, a rare series of scenes of the Golden Marmot, found only above 10,000 feet altitude in the Sierra Range.

SPORTS SHOW
The Daly City Rod & Gun Club will again this year run the Kids Fishing Tank at the big Sports Show at the Civic Auditorium in San Francisco March 3 to March 13. In conjunction with the Call-Bulletin the club is staging one of the most successful Junior projects ever to hit these parts.

Club President Ed Mierding will again be Uncle Ed to the thousands of kids who will get a chance to catch a real honest-to-goodness Rainbow trout. All tackle will be furnished and every kid under 12 years old is invited to go fishing free. With the Daly City club fathers to supervise the action. The help of the Sportswomen of Daly City during the afternoon performances will make the job a little easier than last year.

Special feature will again be the giving of prizes to every child who catches a fish. There will be lots of grand prizes for the biggest fish each day and a special prize for the biggest fish caught during the whole show.

OBEY TRAFFIC LAWS
Legislators have designed traffic laws to keep the motorist safe, points out the public safety department of the National Automobile Club. Based on the common courtesies of life, these laws will keep the motorist safe only if he obeys them. Many a motorist has gone about cheating a little only to find out that he was cheating himself a lot.

three times and crossing home twice.

Decker showed his stuff as short stop when he snagged a line drive early in the game and stopped a short offensive drive of the fire ladders.

Fazio, also did all right in the catching department, taking a long fly ball in the latter part of the game. Had he missed the ball the firemen probably would have given Gelsi's a closer run for their money.

Gelsi's Down SF Firemen For Third Straight Victory

Rolling on to their third victory of the pre-baseball season, Gelsi's Tavern trampled the San Francisco Fire department 10 to 3 last Sunday.

As announced in last week's Record, Gelsi's is the new name of the old Junipero Serra Merchants team. But except for the changed name, the players remain the same.

Fred Lucia was on the mound for Gelsi's Sunday, and while he allowed 12 hits, they were all well scattered. Consequently he was never in trouble, and all in all did a good job of pitching for his team.

At bat Lucia did pretty well, too, driving himself to first place

Democratic Club Picks Officers

Following an organizational meeting last Friday evening, two Daly City men were named to head the Roosevelt-Douglas-Johnson club.

Temporary chairman for the group is Elmer T. Vert, 193 Bellevue. He will be assisted by Julius Castelan, temporary secretary.

During the meeting the coming elections were discussed, and the group agreed to back Tom Jenkins for the position of police commissioner in Broadmoor.

The next meeting of the group will be held March 10 at 8 p.m. at 101 Parkway. All interested persons are invited to attend.

Club President Ed Mierding will again be Uncle Ed to the thousands of kids who will get a chance to catch a real honest-to-goodness Rainbow trout. All tackle will be furnished and every kid under 12 years old is invited to go fishing free. With the Daly City club fathers to supervise the action. "Seven Sisters" Coming Friday Night To Jefferson Union High School

Friday, March 3, the night to hop in the car and prepare yourself to see the three-act play, "Seven Sisters," at the Jefferson Union High School auditorium.

If you haven't already bought your ticket for this rollicking three-act comedy you may purchase it at the door for the mere price of 50c. The curtain is scheduled to rise at 8 p.m. The complete cast of high school students under the direction of Miss Seaton have worked very hard and we know after seeing the last play directed by Miss Seaton, "John Loves Mary," that "Seven Sisters" will be equally entertaining.

The play is about an interesting family who members seven girls who are having a hard time finding mates. The girls' poor widowed mother has the most trouble with one of the younger daughters, Mitzi (played by Jeanne Lomion). Before poor Mitzi can marry she has to wait for the three older sisters to marry. This presents a confusing problem which is eventually worked out before the curtain comes down.

The complete cast includes Mrs. Gyurkovics, the mother, played by Rosemary Mickerson, and her seven daughters Katinka, Bea Cassassa; Sari, Carole Nicholson; Ella, Mary Lou Morris; Mitzi, Jeanne Lomion; Terka, Margie Simms; Siza, Helen Barraza, and Klara, Madie Irons. The men in the play are: Colonel Radvany, Richard Sims; Gida Radvany, Ronald Horkoy; Dave Rivera; Michael Sandorffy, Bob Golobick; Toni Teleki, Airo Gregori, and Janko, played by Jim Bricker.

The stage settings for the play were constructed by Mr. Moseley and the Jeff stage crew. Some of the furniture was supplied by the Sterling Furniture Company of 1048 Market street. Most of the elaborate costumes were rented from various stores. So let's see everyone at the play tonight!

OLPH Mothers Club Offers Whist March 7

Start the new month off right with a whist game at Our Lady of Perpetual Help school auditorium Tuesday, March 7.

The whist party will be sponsored, as usual, by the Mothers Club of OLPH. The event will get underway at 1:30 p.m.

Mrs. Ann Drury is to be chairman of the whist party Tuesday, ably assisted by women of the club.

Everyone is invited to attend.

Your Daly City Garden News

by Elsie M. Garrison

In planning a spring garden, you may want to trim away dead and unnecessary foliage of shrubs and trees.

However, do not become too audacious with the pruning shears on roses, or shrubs with which you are little acquainted. Better wait and get expert advice. Most Garden Clubs are composed originally of amateurs and enthusiasts, but there are usually one or two "graduate" men or women whose actual experiences and knowledge make it possible for members to obtain answers to their problems with hasty dispatch, when they need it, not a week and several volumes later.

One such person is Mr. Shirl Mollette, who doubles in brass as treasurer of the Daly City Garden Club. He is never too busy to help or advise a member, friend or neighbor. He experiments objectively, and has been able to acquaint many members with procedures to ensure maximum beauty of lawn and garden. His newest experiments to eradicate earwigs has everyone in the club in an optimistic frame of mind, and may well be the beginning of a mass movement.

These intolerable pests (bane of gardeners all over this and many other areas) have proven more resistant to insecticide than any other crawler alive. Socially inclined, they will also share your bed and board with nonchalance, the latter being strictly theirs! Mr. Mollette, whose experiments have involved the use of chlordane, a Niagra product, has had highly successful results, and already members are planning eviction notices, via the chlordane treatment.

Those who have shrubby borders, will find them an excellent background for showing off daffodils. They are also delightful in a perennial border, and can be used advantageously in any odd spot or corner where early bloom is wanted. Meet spring halfway!

CLUB MEETING
The February meeting of the Daly City Garden Club was held at the attractive home of Mr. and

Brownie Troop No. 21 Holds Tea Thursday

Members of Brownie Troop No. 21 held their regular meeting and a tea at the home of Mrs. Shirley Hess, 518 Hillside boulevard, February 23.

The majority of the troop were present for the meeting. Guests for the day were teachers of Thornton school, who saw first hand how the girls in the troop carry on their regular business.

Cub Pack No. 62 To Visit Show

By D. C. Gensel

Cub Pack No. 62 were guests of the Daly City Rod and Gun Club Wednesday night.

Some interesting movies were shown by Jimmy Fox and Al Spears. During the course of the evening Larry Pottinger was the recipient of a nice fishing rod and a bass plug.

After the movies the boys were treated to hot dogs and cold drinks. A very good time was had by all and the pack wishes to take this opportunity to thank the club.

The boys will have a chance to visit the Sportsmen show at the Civic auditorium some evening between March 3 and 12. The Daly City Rod and Gun Club will have a pool at the show which will be stocked with trout.

The boys will be permitted to fish for them and to take the fish they may catch home. Fishing tackle will be furnished by the club.

The exact time of the event will be as soon as the information is ready.

March 15 the pack will visit the ice hockey game at Winterland. There is no charge to the boys. The meeting place and time will be announced at the next pack meeting, March 13.

Church Announces Lenten Topic

Next Sunday at Bethel Lutheran Church, Alemany boulevard and Huron avenue, the Lenten series of sermons entitled "Attitudes of Men" will have as its subject: "The Title on the Cross."

At this service, the candleabra, presented to the congregation in memory of Mr. and Mrs. Knut H. Bakkerud, will be dedicated with appropriate ceremonies. The Rev. Herbert P. Schfoeder will officiate.

"A Soul Off Guard" is the subject of the Lenten meditation of the midweek service on Wednesday evening at 8 o'clock.

Mrs. D. Hiatt, 57 Muirwood drive, Valentine decor in floral arrangements were brought by each member and exchanged, and it must be said that they were both beautiful and ingenious. A humorous note was injected by the glorification of the unmentionable earwig. The chance to be rid of him soon was probably behind such an expansive mood.

Speaker of the evening was Mrs. Howard Miguel, who gave an entertaining and informative talk on "House Plants," which I will make a point of reporting in the near future. Mrs. Miguel, who is the Club librarian, also listed the books available to members, which include books for every phase of gardening.

GUEST SPEAKER
Mr. Mollette spoke of the tasks which should be done in the garden before the end of the month. These include:

1. Fertilizing lawns;
2. Setting out bedding plants;
3. Carefully putting out bait for snails and slugs.

Now is the time to plant sweet peas, nasturtiums and wild flower seeds. With so many beautiful flowers to be obtained from bulbs with a minimum of work, do plan to try some of the new varieties obtainable.

The ever popular calla lily is now available in a new, more delicate strain, in both yellow and pink, and requires very little extra care. Daffodils and tulips will brighten up your garden and are unsurpassed for balanced color arrangement.

Those who have shrubby borders, will find them an excellent background for showing off daffodils. They are also delightful in a perennial border, and can be used advantageously in any odd spot or corner where early bloom is wanted. Meet spring halfway!

Name on request—JU 4-4202

SOCIETY

Jeff Block "J" Society To Hold Dance March 10

One week from tonight, March 10, the block "J" society of Jefferson High School, will hold their yearly dance, called Sport Cavalcade.

Dick Cresta and his band will start the music at 8 p.m. and end at 11:30 p.m.

This dance looks like it will be the best dance that the block J has ever put on in the school's history.

The theme of the dance, Sport Cavalcade, is presented by six large pictures of the main athletes of the school, which will be posted on the six large curtains around the school auditorium. The athletes will consist of a football player, a baseball player, a swimmer, a basketball player, a track man, and a boxer.

There are many more decorations, so if you want to see them, come down to Jeff auditorium one week from this date.

Girl Scout Scoops

By Jane Keith

Phyllis Cormack of Troop 22 was our "Scout Scooper" last week—our FIRST one, in fact. Phyllis has been very sick with pneumonia for over a week. She is getting better every day, but cannot attend school or Scouts for some time. How about writing her a note? Phyllis Cormack, 21 Muirwood drive, Daly City.

Summer does come around every year and so does Camp time! Read the following article by Darlene Haynes and start counting up your camp stamps! Darlene is in Troop 16, led by Hilda Heagney and Angie Thur.

My Main Reason for Going To Girl Scout Camp

"Swimming is the part of established camp which I liked best. When I went to the second session at Camp Wasibo in the Santa Cruz mountains last summer, my one hope was to again earn a white cap which shows that you can swim in deep water. Those who are first learning to swim are given a red cap; those who can swim a little are given a blue cap; those who can swim well are given a white cap.

"After receiving my white cap I talked with one of my unit leaders, Mrs. Murielle (Sprig) Pabst, about working for my swimming badge from Scouts. She then suggested that I talk to Miss Marilyn (Mike) Beeman, the water front director about earning my Red Cross Certificate for water safety. 'Mike' agreed to give me extra help if I was willing to work hard to pass all the tests which are:

1. 100-yard breast stroke.
2. 50-yard back stroke (legs only).
3. 100-yard back crawl.
4. Turns.
5. Surface dive.
6. Tread water (1 minute).
7. Plunge dive.
8. Running front dive.
9. 10-minute swim.

"After ten days I had completed and passed all the tests since swimming was my favorite activity at camp. I came home happy and looking forward to receiving my official Red Cross Certificate. Now that Mr. J. A. Aliamus, chairman of safety services, has sent me my Red Cross Card I am really looking forward to camp again this summer to earn my Life Saving badge."

DARLENE HAYNES, Girl Scout
For more information on this troop and what it is doing read your column next week. Ann Cheatham is going to tell you all about it!

Meantime, get your pencils and paper together with your thinking caps. Write about YOUR troop and mail it to Jane Keith, 118 East Vista avenue, or call me at JU 4-3576. Thank you!

And here is an item by Colleen McCann, troop scribe for Girl Scout Troop No. 1.

The Boy Scouts are giving a party for our troop at the American Legion Hall Monday night at 7:30. All girls from the troop are invited to attend.

Also, Mrs. Larson, our scout leader, is going to take our troop to St. Mary's church. All scouts are invited.

St. Patrick's Corn Beef Feed At OLPH March 19

Corned beef and cabbage with all the frills will be the main dish of the gala St. Patrick's Day celebration put on by the Holy Names Society at OLPH church March 19.

Although the celebration will come two days after the national celebration, it will have all the zest of the good Saint himself.

The dinner will be served up at 6:30 p.m. at the OLPH church, and all good "Irishmen," regardless of from whence they come, are invited to attend.

Following the dinner, there will be all types of entertainment fitting the occasion.

Bill Carrington is the chairman for the event, and he announced this week that tickets will soon be on sale.

Watch the "Record" next week for a complete program.

District Head Visits Auxiliary

Guest at a recent meeting of the American Legion Auxiliary No. 410 was 26th District President Juanita Henderson.

Mrs. Henderson visited the unit on one of her regular "inspection" tours. She reported that everything was in order, and the unit seems to be doing very well in keeping up with community work and activities.

As the president visited the post during the Valentine season, she was presented with a red and white corsage.

The decorations of the hall were also done in the Valentine motif, under the chairmanship of Mrs. Irma Magnuson. Mrs. Magnuson arranged all the decorations including a clever Valentine tree in the center of the main table.

Textile Painting Exhibit Friday

Mrs. Kagan will demonstrate textile painting this Friday, March 3, for the members of the girls service club at their regular meeting in the home economics room at Thornton school.

The members are making place-mats for the home economics room as their first project. Designs have been drawn and stencils cut out by each member under the guidance of Mrs. Kagan, art supervisor, and Mrs. Mayo, club sponsor.

All seventh grade girls who are on double session are cordially invited to the demonstration at 9:20. Refreshments will be prepared and served by Linda Amundsen, Sharon Hancock and Carol Saumer.

Two Jeff High Students Win Art Awards

Ben Stahl and Merrill Faulk, both students at Jefferson high school, this week were awarded Keys in the Scholastic Magazine art contest.

Consequently both of their paintings, now on exhibit at the Emporium, will be sent to Pittsburgh for judging in the national contest.

Both students are pupils of Miss Louise Baciocco. However, Ben may have a lead over most of his classmates in that his father is a well-known illustrator for a national magazine.

Also taking part in the art show were four other Daly City students, Jack Couper, Eddy Humes, Leonard Mullen and John Sweet. Although not Key winners, the contestants were honored in that their work was chosen from among 1,200 entries for the exhibit.

Watch the "Record" next week for a complete program.

News of Your Neighbors WELCOME To Daly City

Birthday Party For Bettye Ross

Mrs. Willard A. Ross, 73 Muirwood drive, gave a surprise birthday party for her daughter, Bettye Anne, Friday, February 17.

Although several days after Valentine's Day, the spirit was still in the air as in the motif of the various rooms, decorated in red and white.

Various games were played and there was dancing. Assisting Mrs. Ross and Bettye's 15th birthday was Mrs. Lyle Anderson.

Guests present included Lucille O'Connor, Bob Horn, Pauline O'Connor, Bob Stone, Shirley Mollette, Gary Anderson, Elaine Rocca, Clair Curry, Albina Grappoli, Kenneth Ross and Helen Campbell.

New Arrivals

To the wife of George Beckman, 728 Larchmont drive, February 13, a daughter.

To the wife of William F. Guiles, 634 Hanover street, February 13, a son.

To the wife of Thomas Sapitula, Herbert, 50 San Joaquin avenue, February 14, a daughter.

To the wife of Frederick Matthews, 460 Irvington street, February 12, a daughter.

To the wife of William P. Hine-line, 618 Bellevue avenue, February 13, a son.

To the wife of Timothy J. Guiney, 535 Bellevue avenue, February 10, a daughter.

To the wife of David G. Le-Baron, 528 Midway avenue, February 21, a daughter.

To the wife of Max Wolf, 49 Belmont drive, February 11, a daughter.

Jeff High "Guff"

By Bettie Duffy

Tonight, March 3, our all high play will be presented in the Jefferson Union high school auditorium. If you haven't already bought your ticket for the "Seven Sisters" you may purchase it at the door for a mere fifty cents. The cast has worked very hard to bring you this bit of entertainment, so let's see all of you there—remember to support your local high school.

DANCE
Another dance is scheduled for March 10. This dance is to be sponsored by the Block "J" Society. Admission will be 75c per couple or stag (without a student body card) \$1 for outsiders. The dress will be semi-formal.

BAND SHOW

This Tuesday our band of entertainers took off for South City to present their exchange assembly. South City will present their talent assembly at Jeff in the near future. This has been a tradition of both rival schools for the past five years. The purpose of these shows is to promote better understanding between schools.

HIGH SENIORS
Plans were made for the senior assembly at a recent senior meeting. This well-planned senior as-

Church Presents Lenten Film

The second film in the Lenten service series will be shown this Sunday, March 5, at the Grace Presbyterian Church.

Time for the film is 7:30 p.m. The feature is taken from the life of St. Paul and entitled, "Conversion of Saul."

All those who are interested, are invited to attend. And by the large audience last week, when two reels of the Holy Land were shown, this film series is proving extremely popular.

Baked Food Sale Coming March 11

Week-end shoppers, especially those who want to take home some home cooked food, are advised to drop into the Colonial Gift Shop, 6272 Mission, Saturday, March 11.

There they will find a Bake sale under the direction of Circle No. 5, Grace Presbyterian Church. The sale begins at 10 a.m., and you are advised to come early, as the food goes quickly.

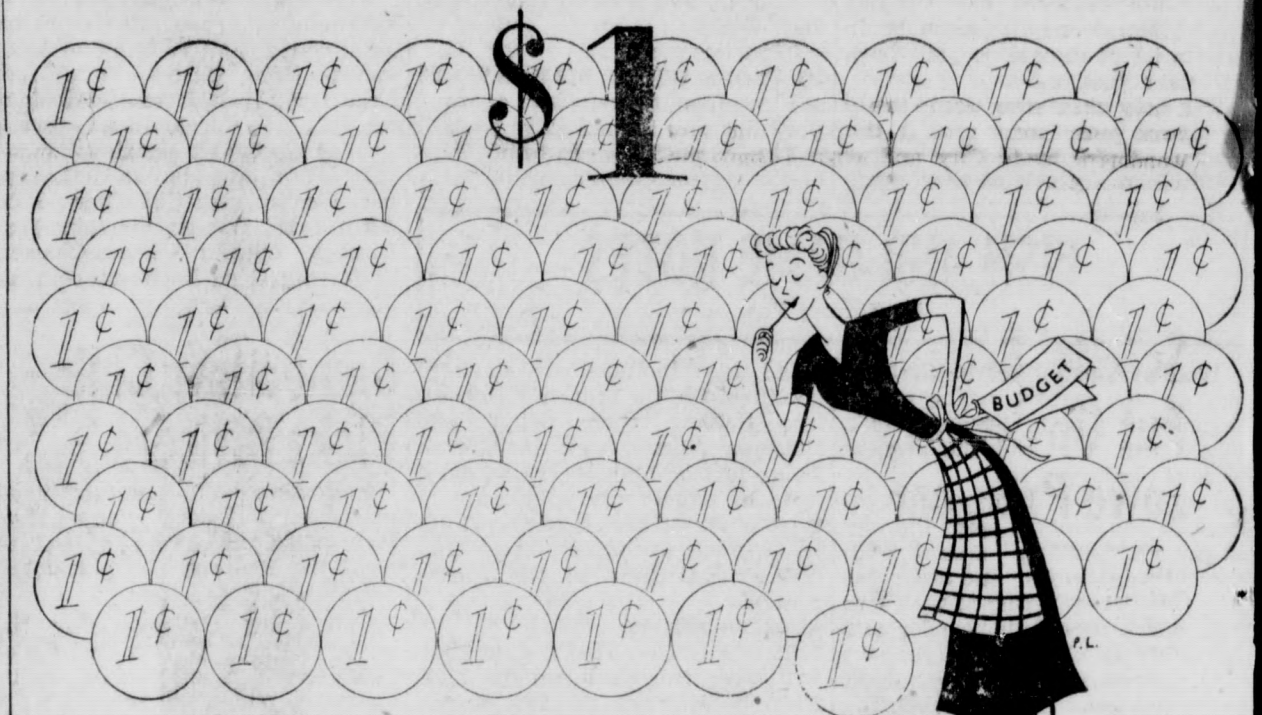

All baked items will be on sale and each and every one of them will be fresh from some Daly City oven.

All proceeds will be used towards the Grace Presbyterian church fund.

Assembly will be presented to the students on March 7. Other important senior dates are: senior ball, June 2; senior sneak, June 9 and graduation, June 15.

BAD NEWS
Deficiency notices will be sent out next week.

IF YOUR FAMILY EXPENSES WERE

**3 CENTS
WOULD GO
FOR
GAS and
ELECTRICITY**

- Thirty-four cents would go for food. Clothing, rent, furnishings and miscellaneous expense would account for 63 cents of your family expense dollar.
- The remaining 3 cents would cover all the following vital home services:

Only 3 per cent of your total household budget goes for these many services which contribute so largely to the comfort and convenience of modern California living.

These gas and electric servants work for you day and night—and they cost so little for all they do.

COLMA --- BROADMOOR GARDEN VILLAGE

Broadmoor-Westlake Connecting Street May Go In Just West Of White

It appears today that if any street is put in to connect Westlake and Broadmoor it will be one running almost perpendicular to 87th, 300 feet west of White street.

At a meeting of the Jefferson elementary school board last Thursday, the Garden Village Owners' Association protested a street that would bisect the Garden Village school site. In this, they were in accord with the state, which earlier ruled such a diagonal road would not be feasible as it would constitute a menace to school children.

Following the opinion of the Garden Village association, several other residents voiced a similar opinion, while still others said they were against any street at all.

Several other plans were discussed, but the only "logical" one seemed to be to run the connecting street just west of White street.

Earlier, the county planning commission approved this measure, but it was rejected by some residents in the area, as such a street would entail moving two houses on 87th street.

To date there has been no further discussion of the proposed street.

However, Mike Callan, school board trustee, is still strong in his opposition to any street. He contends that the majority of the people in the area are against such a road.

On the other hand, A. J. Bodien, city works superintendent, says such a road is necessary to facilitate better fire and police protection.

Not to be forgotten is still another facet of the question. At some future date there is going to be a large shopping section in Westlake, which would benefit by the trade coming from Broadmoor over such a street. This would or would not take trade away from merchants established in the Broadmoor area, but a through street would certainly help Broad-

No Immediate Prospects For Westlake Bus

Shuttle bus service to the Westlake tract will not begin until such time as the population in the area has gone "up considerably" over the 275 residents now living there.

This was the consensus of Westlake and San Francisco Municipal Railroad officials contacted this week.

Both, however, agreed that as soon as the population is "sufficient," a shuttle bus service will be employed. No one was willing to say what number of people constituted a "sufficient" population figure.

At the present time it is necessary for residents in the area to catch a bus either on Junipero Serra and Alemany or on Mission street. There is no direct service to Westlake.

Hence, in order to get to the buses it is necessary to call a cab at approximately 85 cents.

Chances are that there will be shuttle bus service to the community by the end of the year, if not sooner. Presently, there are 18 families moving into Westlake each week, Joe Rock, Westlake official, noted. At this rate, the population will soon be large enough to warrant the bus service.

Spanish-American War
Spanish-American war followed the sinking of the battleship Maine in Havana harbor, February 15, 1898.

moor shoppers who wished to go to Westlake.

At the present time the only connection between the two areas is Junipero Serra boulevard.

AROUND THE VILLAGES

with Verna Duste

It's That Time of Year Again—runaway kites are hanging in the telephone wires, beskated kids are whizzing down the streets, and I do believe I saw a straw hat toter day!

Reversing our usual policy, this week birthdays (junior grade) come first—heading off the list with Frankie Prince, over on Nimritz, who celebrated his fifth birthday last week, while Paul Grigoroff was 6—on Midway.

Freddie Hilger is mighty proud of his 4 years—celebrated on February 18th with 17 guests. While our own favorite set of blonde braids, Karen Brandt, celebrated with the shade of George Washington on the 22nd, with a blowout for the "gang," which included going to the movies to see "Dumbo," after Barbara's fine cake.

In the Sorry-to-Hear-It Dept. Dale Taylor's mumps are really giving him a bad time, and his Dad sympathizes—he had them on one side!! At last report, the Taylors are laughing at those who say "childhood" diseases!!

Whew! This Pink-and-Blue Dept. is really beginning to show results—but may we point out that we only had one of them reported to us—the rest we d-u-g for, so c'mon, give with the details, huh??

Little Patricia Lee Robb, up on Sweetwood is proudly sporting a new brother these days, Jerrold Hagan Robb, born February 7th, weighing (get this!) 8 lbs. 12 1/2 oz.

The Joseph Zinks welcomed Sherry Lee to their MacArthur drive residence on February 9th. Their first child, Sherry is no doubt the light of Grandma's eye!! She weighed an even 7 lbs. 7 oz.

Beechwood drive's newest addition is James Bruce Anderson, who slid over the line at 6 lbs. 1 oz. Arriving to the John Andersons, Jimmy is their first child.

Just up the street a piece, the Ugo Frattos on Bradley have added Lauren Elena (isn't that a beautiful name??) to the roster as of January 27th, weighing 8 lbs. 2 1/4 oz.

The first of that terrific crop of Midway avenue babies has arrived—in the person of Miss (yes, we said Miss) Catherine Louise LeBaron, who arrived on February 21st to Mr. and Mrs. Dave LeBaron of Midway, weighing 7 lbs. 13 oz. AND BEING THE ONLY GIRL IN THE LEBARON FAMILY IN THREE GENERATIONS. How 'bout that, nabors?? Three

generations and no girls—tsk, tsk!! Congrats, Dave and Connie, good work!! And a big welcome to all the new Broad Moors.

Broad Moors and Garden Villagers—a very, very important election is not very far off—that of the Police Commission—our Police Commission for our Police District, for which we pay the largest part of the taxes. Thus far, representatives from Broadmoor running for office are Vincent P. Murphy (not to be confused with Vincent J. Murphy Jr., former Association president) and Thomas Jenkins, present Board member.

No doubt there will be, in the near future, a Town Hall Meeting, called by one of the public-spirited organizations of the Village—watch this column, and COME TO THE MEETING!! These things are of vital importance to us as an entity and as individuals—we owe it to ourselves to take more interest in our civic affairs than heretofore.

Above all, we must never have another voting turnout like the School Board election—a little over 100 votes out of a possible 700 or 800. Now, for some strange reason, if the registration fee were \$1, the rate would probably jump—the old adage about being suspicious of something free must be true. But the right of franchise isn't free—George Washington knew that, and if you don't—well, just come and vote, and you'll find out. But, CAST AN INFORMED BALLOT. Know the man you're voting for. Find out what he does—who he is—what his affiliations are—and what he will do for you, if elected. It's your money, you're entitled to know. And after you've elected him, KEEP AFTER HIM. That's what he wants—to know you're behind him.

As for our patrolman—if you want to know something about the Police District—flag him down and ask him. He's very human, and he'll be delighted to answer your question, and flattered by your interest. If you don't like something going on around you that you feel he can handle, call him—don't wait until you're robbed or bitten by a dog—avail yourself of the services of your Police District. (My, my, we sound downright Washingtonian—we'll just keep this up, and maybe Mr. B. will send us to Washington to cover the California-Arizona Water War—all expenses paid, watch!!) Selah!

Colma PTA To Elect New Officers March 7

Colma PTA officers for 1950 will be elected at the next meeting of that organization, March 7 at 1:30 p.m. in the Colma Community Center, Dunk street.

So that all members may be present for the election, a baby-sitter will be present to take charge of the pre-school children.

Mrs. Allan F. Mori, hospitality chairman, will serve refreshments after the meeting.

Meanwhile, the executive board of the PTA held a meeting last Thursday afternoon at the R. S. Thornton school. Officers and chairmen were pleased to have Miss Marie Traynor, principal of the Jefferson elementary school, and Mrs. Hazel Colwell, principal of the R. S. Thornton school, present at the meeting.

Wildwood Avenue Ditch Is Drained

No longer a menace to children today is the ditch behind Wildwood avenue, a spokesman for the Broadmoor Property Owners Association reports.

Last week the Stoneson company drained the ditch of water, and in the near future will take action to fill the block-long crevice, the spokesman said.

Earlier in the "Record" several residents of the area reported the ditch was a potential danger as children played around it and might fall in and be drowned. One week later Stoneson had the ditch drained.

Red Cross Quota For Greater Colma Area Set At \$1600

With the Red Cross quota for the Colma-Broadmoor-Garden Village area set for \$1,600, various chairmen today were making plans to take the communities over the top.

General chairman for the drive is Mrs. Pauline Brown. She reports collections are now underway, and to date the drive looks "favorable."

Assisting her will be: Broadmoor Village: American Legion Post No. 824 members under the chairmanship of Arthur James. The post is planning to contact most of the residents in order to get individual contributions.

Garden Village: George Irvine, head of the Garden Village Property Owners Association, will be the chairman of the drive in this area.

Also, actively assisting these chairmen are women of the VFW and Legion Auxiliaries who will take contributions in the Colma Bank of America during the day.

Not to be forgotten is Paul Vonkemps, who will head the drive in the incorporated area of Colma.

Other assistants will include Mrs. Harding and Mrs. Marilyn Paty.

5 To Seek Posts In April 11 Colma Elections

All Colma officials, except the city clerk, up for re-election April 11 are going to meet with competition this year.

When the nominations closed at noon Thursday, March 2, Earl Taylor and John Price, both incumbent councilmen, filed for re-election. Opposing them will be a newcomer to Colma politics, Raymond Ottoboni who owns a floral business in the Colma area.

And for the first time since he was elected in 1924, Henry Kempf treasurer, will be opposed. His opposition is G. H. Parker, superintendent of the Salem cemetery.

The only incumbent without a worry is E. A. Weisenburger who has been city clerk since the town was incorporated in 1924.

While this may turn into a "hot" election, it probably will never reach the boiling point. There are only 130 registered voters in all of Colma.

Re-Heating Rice

To re-heat rice, steam it in a colander or sieve over boiling water, or add a few tablespoons of water to the rice and heat it in a covered pan over boiling water, or in the oven.

New School To Open March 17

Delays in sewer work will hold up the opening of the new \$115,480, seven-room Garden Village school until March 17, James Snell, superintendent of schools, said today.

Originally the school was to have been open for business by the latter part of February. However, last minute construction work and trouble with the sewers held up the opening.

The school will handle children from the Broadmoor-Garden Village-Westlake area from kindergarten through to the fifth grade.

As reported in last week's "Record," when the school opens, parents in the area will be informed as to school bus schedules.

Lutheran Church Mothers To Meet

The Mothers' Club of Broadmoor Lutheran Church and Sunday School will hold its March meeting Friday evening, March 3 at 8 p. m.

Mrs. Daniel Johnson, 740 87th St. will be the hostess for the evening. All mothers of pupils in Lutheran Sunday School at Broadmoor as well as mothers of the church and Sunday School teachers are welcome. Different projects will be brought up for discussion.

Pastor Zschneider will open the meeting with a practical Bible topic and discussion. After the business meeting a social hour of fellowship and refreshments will be held. Ladies and mothers who plan to attend are requested to notify Mrs. Johnson, JU 4-1678.

Learn To Sew From Experts

Sewing classes, both elementary and advanced are now being conducted by the Broadmoor Community Presbyterian church, Ladies Auxiliary Circle No. 1.

The classes are held each Thursday under the direction of Mrs. Harry D. Lapp.

Advanced classes cover pattern drafting, slip covering and tailoring.

All money from the instruction is employed to assist the Broadmoor church.

Further information on the classes may be obtained by calling Mrs. John Faust, Juniper 7-9473.

Stick of Butter

One stick of butter is equal to exactly one-half cup if measured

"Evenservice" At Broadmoor Church This Sunday

Three thought-provoking pictures will feature the monthly "Evenservice" at 7:30 this Sunday evening in the Broadmoor Community Presbyterian church, 87th west of Junipero Serra.

The Rev. John A. Glasse, minister of the church, has planned the service as an expression of inter-faith good will that is both Christian and American. "Peace on Earth" is a satire on war, in which the animals take over after man had destroyed himself, and celebrate the return of a peaceful world.

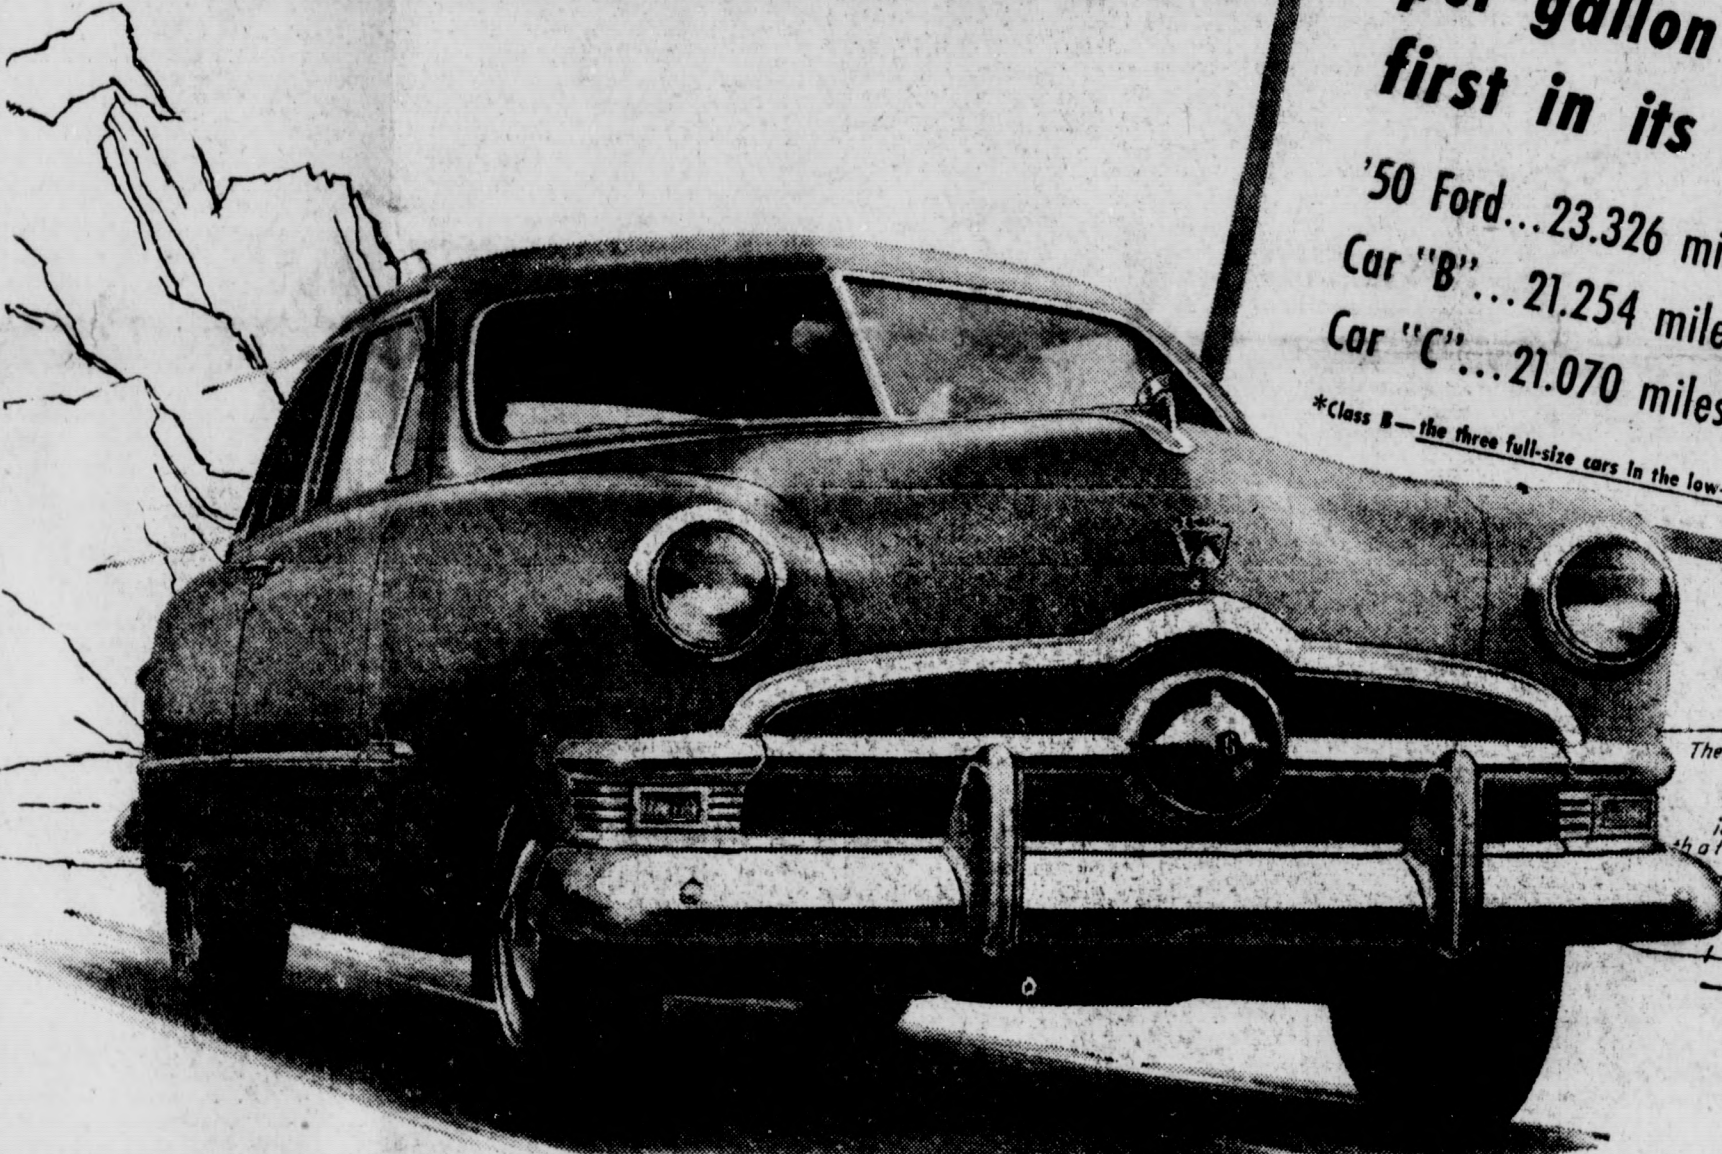

"The House I Live In" is an academy award picture with Frank Sinatra in the cast; and

"Americans All" is a March of Time feature. The whole service, including the "singspiration" of familiar hymns, will conclude in about one hour, and the church extends the general public a cordial invitation to attend.

This Saturday morning the Men's Fellowship of the Broadmoor Community Presbyterian Church will conduct its monthly drive for old newspapers and magazines to be collected and sold in the interests of the Building Fund of the church. Persons are asked to bring their bundles to the back of the church this Saturday morning; or if unable to bring them, then place them at the curb and men will call for them if requested through JU 4-5360, PL 5-3218 or JU 7-8755.

Beet Sugar Marketing Quota
The sugar act of 1948 fixes the nation's beet sugar marketing quota at 1,800,000 tons each year for the next five years.

'50 FORD SIX EQUIPPED WITH OVERDRIVE WINS MOBILGAS GRAND CANYON ECONOMY RUN

Does 23.326 miles
per gallon to take
first in its class*

'50 Ford...23.326 miles per gallon
Car "B"...21.254 miles per gallon
Car "C"...21.070 miles per gallon

*Class B—the three full-size cars in the low-price field.

1ST PLACE IN ITS CLASS*

Yes, this AAA supervised, nationally important economy run officially recorded that a '50 Ford six with overdrive was 9.7 percent better in gasoline economy than Car "B," and 10.7 percent better than Car "C." This means that Ford won the economy championship of its field by more than 2 miles per gallon! And better gasoline mileage is only part of the Ford economy story. Ford's low first cost, low upkeep and low depreciation, definitely marks the Ford car—advance six or famous V-8—as the "big economy package" of the low-price field. Just one "test drive" in the big '50 Ford—the one fine car in its field—will open your eyes to a new standard of value. Why not see for yourself, at your Ford dealer's today.

ANSWER THIS --- WIN SUBSCRIPTION

Next Week First Winner To Receive \$5 Bill --- Subscriptions Given Others

How many times does the word "food" appear in the advertisements in this issue?

The first three persons to answer this question will each be given a free three-month subscription to the Daily City Record.

If you have the answer, call JUniper 7-4321.

But wait. Next week, this contest will have an added prize. The first person to phone in the right answer to the question of the week will be awarded a \$5 bill. Thereafter, the next three persons will be given the usual subscriptions to the "Record."

There are no gimmicks or angles to this simple contest. We merely wish you, as a reader, to become familiar with the merchants and businessmen in the greater Daly City area.

How to win? Simple enough. Merely check each advertisement in this section for the word "food," add them all up and call us at the aforesaid number. Be sure you have the right number, for you will be allowed only one answer a week.

Every week the word will change, and every week you and yours have an opportunity to hit the "Record" jackpot.

Why not get into this right away? We're willing to give, all you have to do is count and phone.

Next week, and each alternate week, the question will be printed ONLY in the Daily City Record. Be sure and see next week's "Record" for a chance at a cash prize and subscription.

Last week's winners of three months subscriptions include: Mrs. John Curton, 268 Evergreen avenue; Gail Alexander, 348 Winchester, and Minnie Hanselman, 244 Willis.

SMJC Enrollment Now Stands At 1,600 Students

With finals over for the fall semester and all records in the San Mateo Junior College office reports that 72 students completed graduation requirements during the past fall term.

The group will receive diplomas at the commencement in June with the spring graduates. Also, a special certificate will be awarded then to the seeing-eye dog that accompanied James De Lisle, a blind veteran, to all his classes and in so doing became one of the most popular "students" on the campus.

Over 1,600 students are now enrolled at the junior college.

Recent events at the college have included the all-college dance arranged by the college Forum club, the open house presented by the Art Club, an outdoor pep rally, and a big theatre program featuring radio stars and other popular musicians as a help to the March of Dimes drive.

San Mateo's baseball team is rapidly rounding into a strong nine under direction of Coach Herb Hudson. The pitching trio of 1949, Bauhofer, Watkins, and Stien, has returned to assure the jaycee championship ability in the pitching department.

The basketball team lost the leadership of the southern division to San Francisco City College in a tight game Friday night. The final score of 43-37 does not show the closeness of the hard-fought game. The basketball team will next

D. C. Boys Rescued From 300 Foot Coast Cliff

With their feet firm on the ground today, two Daly City boys don't think they'll be climbing Mussel Rock again for some time.

The two lads spent nearly four hours on the side of the cliff, 60 feet above the ocean, Sunday, after they discovered they could neither climb up or down.

The boys are: Anthony Ny, 14, 480 Santa Barbara, and Riley Brewer, 15, 6945 Mission street.

They were discovered clinging to the rock by a San Francisco fisherman, John Zaharis, who called Bill Regan, Sharp Park police chief. Regan put in a call to the Golden Gate coast guard station.

However, before the coast guard arrived, Earl Peterson of the county forest service, attempted to lower a rope to the boys. It wasn't quite long enough.

Finally the coast guard appeared and dropping a rope 250 feet to the boys, they lowered them back to the beach one at a time.

Except for a case of the jitters and exposure, the lads were unharmed.

compete in the eight-team tournament in Sacramento to help decide the quintet that goes to the nationals from central California.

Next Monday evening the UNESCO forum will present a program in the college auditorium. A week later Community Hall will give an illustrated program on Africa and a week later one on the Incas and their land.

Spring And Kites Return To Daly City; While An Old Man Is Young Again

Clear skies and temperatures in the high sixties have brought spring fever to Daly City early this year.

Perhaps it's the balmy weather, or an intuitive urge, but another sign of spring was evident this week with hundreds of youngsters flying kites. Older folks, too, could be seen smiling wistfully as the bright-colored paper and balsa forerunners of the airplane soar through the air.

Many of the fathers and mothers had the urge to go out in the woodshed or down into the basement and relive the happy years again by rigging up a kite, attaching the cloth tail and winding the

yards of string on a proper stick. Some actually got as far as helping their youngsters, but only one to our knowledge made it out to the hills behind Daly City.

We don't know his name, not that it really matters, because he is the composite character of a man whose body may age but thoughts and actions will always retain the simple dignity of youth.

He came to the hill early Sunday morning, along with several boys and girls whose inability to keep their kites in the air bespoke of not much experience, probably because in an age of mechanical wonders the kite until recently has lost favor to model airplanes,

Salt In The Ocean

A scientist estimates that the amount of salt in the world's oceans is enough to cover the United States with a layer a mile and a half deep.

Geneva - Mission Merchants Install Officers March 4

The Geneva-Mission Merchants Association will hold their installation and banquet Saturday evening, March 4, at the Italian-American Social Hall, 25 Russia avenue, at 6:30 p.m.

The following officers will be installed:

President, Walter Renner Jr.; first vice president, Gene Balma; second vice president, Al Bindi; third vice president, William Appleton; financial secretary, Al Bertolozzi; recording secretary, Mrs. Walter Renner Sr.; treasurer, John Venturi; orator, Al Pfeifer; chairman of board of directors, Walter Renner Sr.

Assistant City Attorney Reynold J. Bianchi will act as master of ceremonies, Hon. Judge John B. Molinari will install the new officers.

Gene Balma, chairman of the banquet, says everything is in readiness and he expects a large gathering. There are a few tickets left. Hurry if you want reservations.

Local Men Attend Mission Trails Association Meet

Councilman and Mrs. Fred Bertetta and Mr. and Mrs. Hugh H. Smith Jr. attended the reorganization meeting of the California Mission Trails Association at Paso Robles last week.

Supervisor Alvin Hatch and Ed McDonald were also in attendance representing the county of San Mateo.

Plans were outlined for the next fiscal period in advertising and promoting the tourist attractions of the 10 counties between San Francisco and Los Angeles.

Smith, manager of the Mission Auto Court, was reappointed a member of the executive committee, finance committee and as chairman of the radio and motion picture committee.

Happy Birthday!

Vets -- Here's How To Apply For Tax Exemptions

A new state law approved by the Governor last August should receive careful attention by veterans who are acquiring real property either by direct purchase or on contract of sale, if they are contemplating applying for a veteran's tax exemption, states O. B. Hempstead, county assessor.

The new law requires as a prerequisite to the allowance of the veteran's exemption with respect to taxes on real property, the interest of the claimant in the property must be of record on the lien date in the office of the recorder of the county in which the property is located. Failure of the claimant to establish the fact of such recordation to the assessor constitutes a waiver of the exemption.

Hempstead calls attention that the time is getting near the lien date, which is the first Monday in March, and the veterans who have purchased their homes under any kind of a purchase contract, without the contract being recorded, and veterans who are in the act of purchasing property, must have their interest recorded on or before the lien date or no exemption can be granted.

All veterans who desire to claim the property tax exemption are required by law to file their claim annually between the first Monday in March and the last Monday in May. No claim can be accepted by the assessor prior to the first Monday in March, however, the real property on which the exemption is claimed must be recorded on or before the first Monday in March at Noon.

Tyrone Power and Wanda Hendrix look for help but are resolute about it not coming in this scene from "Prince of Foxes." They are the surviving leaders of the forces opposed to the evil might of Cesare Borgia, played by Orson Welles in the film now at the Daly City Theatre. Critics have hailed the current attraction as a "princely motion picture."

"62" Parents Club Holds Whist March 3

Whist players will have a chance at their favorite game Friday, March 3, when the "62" Parents Club hold a grand whist party.

The event is scheduled to take place at General Pershing school,

631 Hanover street, at 8:30 p.m. The public is invited to attend and take part in the entertainment. Refreshments will be served.

FOR YOUR PROTECTION

Traffic laws are not unfair restrictions intended to limit the freedom of the motorist, points out

Studebaker Scores Clean Sweep In Gas Economy Run

William J. Sweeney & Sons, agents for Studebaker at 6806 Mission street, are proud today to report they have a car that leads the field in economy gas consumption.

It was a Studebaker Champion, driven by Vic Del Coma, Long Beach, that used the least amount of gasoline in the 1950 Mobilgas Grand Canyon economy run recently.

Other Studebaker winners, according to the official AAA contest board results were the Land Cruiser and Commander entries.

The Land Cruiser was first in Class E competition. The Commander ran third in the largest group competing, Class D, which also contained two of the sweepstakes winners.

The sweepstakes winners were judged on a ton-mile basis per gallon rather than straight gasoline economy. Although the Studebaker Champion had the best gasoline economy, it was displaced in the sweepstakes because of lighter weight.

The Champion's record for the 750-mile run was 26.551 miles per gallon on regular gasoline. In winning the Class E competition, the Studebaker Land Cruiser made 24.887 miles per gallon and a ton-mile rating per gallon of 55.6855.

The average gas consumption for the field was 22.074. The average ton-mile rating was 50.2857. All three Studebakers averaged considerably higher than the field.

the California State Automobile Association. They are intended for everybody's protection, walking or driving. Be safe by obeying them.

Air Force Reserve Wants Members

Flyers and would-be flyers interested in joining the 9366 Volunteer Air Reserve Training Squadron are invited to do so, Col. Joe Cammarata, commanding officer, said today.

The reserve group meets the second and fourth Wednesday of each month at 8 p.m. in the Burlingame High school. The next meeting will be March 8.

Operating in two flights, men learn operation and training procedure, or intelligence work.

All men in the unassigned reserve may become a part of this squadron. Those interested are asked to attend the March 8 meeting.

and all three used the lower-cost regular gasoline.

	Miles to Gal.	Ton-Mi. to Gal.
Champion	26.551	51.8399
Commander	23.794	52.6445
Land Cruiser	24.887	55.6855

The three Studebaker entries got 15 per cent better gas mileage and 5 per cent better engine load ratings than all cars averaged together.

SCENIC TRIP FOR A SPRING WEEK END

The trip to the Monterey Peninsula is replete with scenic interest at any time of the year, but it is particularly beautiful during the spring months, according to L. L. Norris, touring director of the National Automobile Club.

It is possible to make the round trip in a day from the San Francisco Bay Area but it is much more enjoyable to spend a full week end, take advantage of the numerous scenic drives, and enjoy an overnight stop at some one of the very lovely hotels, motels, or resorts in that area. Accommodations to suit every taste and pocketbook will be found there.

Below Carmel State Route 1 parallels a very rugged coast line and every turn of the highway brings forth an awe-inspiring vista of sea and mountains. The coloring of the Pacific is so intense

that it will vie with the dazzling blue of Crater Lake. It is still too early for the spring flowers or blossoms but another week or two should bring them forth in all their gay colors.

Tanforan Opens 40 Day Meet March 7

Presenting the greatest collection of thoroughbreds in northern California turf history, Tanforan opens a 40-day meeting next Tuesday, March 7.

Headed by Charles S. Howard's Noor, upset winner of the Santa Anita Handicap, every runner of quality in California, plus a goodly sprinkling of eastern invaders, will campaign at the historic peninsula oval.

On Trust, greatest California-bred money winner of all time; Solidarity, winner of the Hollywood Gold Cup and Golden Gate Handicap last year; Old Rockport, victorious in the 1949 running of the Santa Anita Derby; Moonrush, who annexed the Bay Meadows Handicap last October; the little

grey, Mico, back for another crack at the Tanforan Handicap, which he won last December in track record time; Blue Reading, two-year-old sensation of 1949 and a strong Kentucky Derby possibility; and the grand race mare, Honeymoon, are only a few of the runners, which will be seen in action at the Tanfo session.

Jimmy Jones, trainer for the fabulous Calumet Farm, will spend the opening week at the San Bruno course as guest of General Manager Fred H. Ryan. There is a strong possibility that he will race a part of his string, which includes Citation, Ponder and Two Lea, at Tanforan.

Racing will be conducted on a five-day-a-week basis with the plant dark Sunday and Monday. There will be eight races week days and nine on Saturdays with first post time set at 1:30 p.m. daily.

Crest Theatre Sets Up New Policy Of First Run Pictures For Daly City

Spencer Tracy makes it clear that he doesn't approve of the friendship between his wife, Katharine Hepburn, and David Wayne, the guy in the next apartment. The scene is from "Adam's Rib," M-G-M comedy romance, opening Sunday at the Crest Theatre. Judy ("Born Yesterday") Holliday, Tom Ewell and Jean Hagen, recruited from the Broadway stage, are also featured in the laugh hit, directed by George Cukor.

The Crest Theatre at 7252 Mission street, Daly City, has just made arrangements with some of the major studios in Hollywood to present first run pictures in this vicinity, according to the new owner, David E. Albin.

The Daly City Record and Daly City Shopper are happy to announce that each month the complete monthly program calendar for the shows to come will be printed in calendar form for the convenience of readers. Programs for the month of March can be found on Page 13 and it is suggested that this list be saved for reference throughout the month.

First in this series of big first run pictures is "Adam's Rib," the story of a district attorney and his lawyer-wife who take opposite sides in the trial of a woman who has shot her philandering husband, brings Spencer Tracy and Katharine Hepburn to the Crest for four days starting Sunday in one of the funniest comedies of the year.

The screen play, written by Garson Kanin and Ruth Gordon, bears the same contagious humor and

outrageous wit of Kanin's long-run Broadway comedy success, "Born Yesterday," and, furthermore, Judy Holliday, who starred in the Kanin play, now offers filmgoers a view of her distinctive comedy talents in the role of the deceived wife in "Adam's Rib."

But the story is primarily Tracy's and Hepburn's, with the former cast as the placidly successful Adam Bonner, deeply in love with the sparkling and impetuous Amanda, tolerating her impassioned polemics on the equality of women with men, and even forgiving her mild but irritating flirtation with David Wayne, the songwriter in the apartment next-door. It is only when Amanda rushes to the defense of the would-be murderer and, by making a fool of Adam in court, persuades the jurors to find the accused innocent, that a rift opens between husband and wife. Two such electric personalities may cause sparks when they are together but they obviously cannot engender a flame apart, and Adam and Amanda resolve their differences just as they are

Your Income Tax Problems

(This is the fourth in a series of articles, prepared by Collector of Internal Revenue James G. Smyth of the First California District outlining rules and regulations to be followed in filing Federal Income Tax returns.)

With few exceptions most income is taxable and must be reported on the return.

Some of the items to be reported as income are listed. They are always considered as part, at least, of gross income:

1. Salaries and wages.
2. Competitive prizes and awards.
3. Bonuses.
4. Tips.
5. Alimony and separate maintenance payments received periodically subsequent to and under the authority of a decree of divorce or of separate maintenance.
6. Interest on United States savings bonds (series A to G).
7. Rents.
8. Royalties.
9. Interest on investments.
10. Interest on tax refunds.
11. Gambling winnings.
12. Real estate profits.
13. Rewards, informers or otherwise.

Persons who receive meals and lodging as part of their salaries must pay income taxes on the fair market value of the meals and lodgings. Any salary or wage received in any form other than money is subject to tax at the fair market value of the goods or services received.

Professional or medical services received for work rendered is taxable on the value of such services. For example, if a cabinetmaker builds shelves and other office fixtures for an attorney or doctor and receives as payment for these services, legal advice or medical treatment, the fair market value for the advice or medical treatment is considered taxable income.

Some unusual cases arise in connection with stock transactions. If an employee receives capital stock of an corporation as part of his salary or wage he is required to pay income tax on the fair market value on the stock at the time he received it. The fair market value of such stock is often in excess of the par value stated on the stock certificate.

The same holds true of interest bearing notes if given for services performed by the taxpayer. Occasionally, there may be cases in which an individual receives a non-interest-bearing note as compensation for services. The individual pays income tax on the discount value of such note during that year if it is marketable at a fair discount value. If payments are received on the note as due, a pro-rata part of each payment represents a part of the value previously taxed; and the balance of the payment is income for the year of receipt.

If the note is not marketable at a fair discount value, then no income tax need be paid on the note until payment is made on it. Income that is "constructively" received is taxable as well as that actually received. Constructively received income consists of income which becomes the taxpayer's property during the year, even though he does not have physical possession of it. Income is constructively received when it is credited to the taxpayer's account or when it is unconditionally set apart that makes it subject to his demand.

Watch for the fifth of this series of articles prepared by Collector

LITTLE ASSEMBLY HEAD—Dr. Joao Carlos Muniz, of Brazil, opens the first 1950 meeting of the Little Assembly of the United Nations at Lake Success, N. Y., after being elected new chairman of that body. The Little Assembly is a general, steering, committee which coordinates the proceedings of the General Assembly.

on the verge of divorce. Incidentally, there have been plenty of reconciliation scenes on the screen before—but never one as uproarious as this one!

File State Income Tax Return Early

Taxpayers in the Daly City area are asked by George R. Reilly, member of the franchise tax board to file State income tax returns early.

Single persons with income of \$2,000 or more and married persons with combined incomes of \$3,500 or more are required to file state returns.

Mr. Reilly particularly requests new residents of California to contact the examiner for the purpose of acquainting themselves with the California State income tax law.

Accountants and attorneys desiring a large quantity of State income tax forms are requested by Reilly to contact the permanent branch office serving this area located at 273 North First street, San Jose.

of Internal Revenue James G. Smyth of the First California District outlining Income Tax regulations.

They will appear March 2. Clip and save these articles for future reference.

**But 13 Days Remain
To File Income Tax**

With only thirteen more days remaining to file Federal Income Tax returns, Collector of Internal Revenue James G. Smyth of the First California District pointed

out that all withholding statements, Form W-2 must be attached to the return.

Failure to attach the withholding statement to the return causes delay in processing and inconvenience to the taxpayer.

**NEWS FROM
THE SCHOOLS****CROCKER**

The afternoon session in Room 1 is happy to have Ernest Hansen back in school after a freak gun accident in which his left arm was injured. Since he is right-handed, he will not miss any of his work, although the injured arm will be in a cast for some time.

This class was pleased to receive a new social studies text last week. They have had many surprises in their unit of work on France and Switzerland. The beauty of the Alps, the thrift of the people, and the great use of the many streams and waterfalls are but a few of the interesting facts that have been gathered.

ROOM 2 Two of the boys in Room 2 went traveling over the week end. Henri Oliver went to the Russian River and Angelo Casserino went to Los Angeles.

ROOM 3 In Room 3 the children are en-

joying their bright spring border of perky yellow tulips. It makes us think that spring is just around the corner after all. On Tuesday afternoon we had the pleasure of reciting our choral reading, "Washington's Birthday," by Margaret Sangster, for the students of Room 2 and Room 4. John Carter was the announcer.

Laverne Benson, who left our class some months ago to live in Texas, has returned. We were all glad to see her. There are now 41 in our group.

Everyone is busy with work on his Lincoln Essay for the American Legion Contest. We are working too on colorful posters for Poppy Day.

ROOM 4

In their work on the Pacific Islands, the children of Room 4 have drawn some fine colored charts on the blackboard. One, called "Pacific Race Migrations," shows a chain of multicolored arrows coming from the Asiatic mainland to the different island groups. These represent the Melanesians, the Polynesians, and the Micronesians who came to the Pacific islands.

Another chart tells the story of the great racial mixture in the Hawaiian Islands. Colored figures, each dressed in his own racial costumes are shown rushing toward the islands. To the shores of these islands have come Chinese, Japanese, Koreans, Filipinos, Javanese, Polynesians, Puerto Ricans, Portuguese, Americans, and Europeans. The Hawaiian Islands are truly the crossroads of the Pacific.

ROOM 5

In the morning session the children in Room 5 are studying about England. They are also busy writing an essay about the Declaration of Independence. In these two studies they have found a great similarity between the Magna Carta of England and the American Declaration of Independence. Billy Gensel brought a copy of the Declaration of Independence for the bulletin board.

Donald Kendrick is moving to San Bruno. He will be missed.

In the afternoon session the sixth grade students in Room 5 are studying the conditions favorable for growing pineapple. The students were interested in learning that young pineapple plants are set into the ground through holes

in paper. The paper keeps the moisture in; keeps the weed down; and keeps the insects out. By the time the plants are well started, the paper has been dissolved by the rain.

ROOM 6

The H8 pupils in Room 6 are learning more about triangles. They are finding out that they are classified according to the length of their sides into isosceles, equilateral, and scalene triangles, and according to the size of their angles into right triangles, acute,

and obtuse triangles.

The class is busy working on their compositions on "The Writing of the Declaration of Independence." At least another week will be devoted to this project.

Afternoon students in Room 6 are being introduced to the Industrial Revolution, which began in Great Britain. They have found that numerous inventors, such as James Watt, who invented the steam engine, have contributed to this great change.

**Enlistments Open
In U. S. Navy**

Young men between 17 and 31 years of age may now apply for enlistment in the U. S. Navy. Men who meet the necessary requirements may be enlisted with only a short waiting time.

The Navy offers you the opportunity to learn a skill, using the best of equipment, while receiving

\$80 a month in pay, plus free lodging, uniforms, and medical and dental care.

Inquire today, before the quota is filled. An hour of your time may bring you generous and satisfying dividends in training and travel, along with a secure well-paid career.

Visit or telephone your Navy Recruiting Station, Post Office Building, San Mateo, DI 4-2781.

Prices Effective Friday & Saturday, March 3 & 4
